

Commodity Credit Corporation, USDA

§ 1493.110

Trade Act of 1990 for exports of wheat and wheat flour, feed grains, oilseeds, cotton, and other agricultural commodities and products thereof.

§ 1493.90 Certification requirements for the evidence of export.

By providing the statement contained in §1493.80(a)(10), the exporter is certifying that the information provided in the evidence of export report is true and correct and, further, that all requirements set forth in this section have been or will be met. The exporter will be required to provide further explanation or documentation with regard to reports that do not include this statement. If the exporter breaches or violates these certifications with respect to a GSM-102 or GSM-103 payment guarantee, CCC will have the right, notwithstanding any other rights provided under this subpart, to annul guarantee coverage for any commodities not yet exported and/or to proceed against the exporter. The exporter, in submitting the evidence of export and providing the statement set forth in §1493.80(a)(10), certifies that:

(a) The agricultural commodity or product exported under the payment guarantee is a U.S. agricultural commodity as defined by §1493.20(z).

(b) Agricultural commodities of the grade, quality and quantity called for in the exporter's sales contract with the importer have been exported to the country specified in the payment guarantee;

(c) A letter of credit has been opened in favor of the exporter by the foreign bank shown in the payment guarantee to cover the port value of the commodity exported;

(d) There have not been and will not be any corrupt payments or extra sales services or other items extraneous to the transaction provided, financed, or guaranteed in connection with the transaction, and that the transaction complies with applicable United States law; and

(e) The information provided pursuant to §1493.30 has not changed, the exporter still meets all of the qualification requirements of §1493.30 and the exporter will immediately notify CCC if there is a change of circumstances

which would cause it to fail to meet such requirements.

[59 FR 52876, Oct. 19, 1994, as amended at 62 FR 24561, May 6, 1997]

§ 1493.100 Proof of entry.

(a) *Diversion.* The diversion of commodities covered by a GSM-102 or GSM-103 payment guarantee to a country other than that shown on the payment guarantee is prohibited, unless expressly authorized by the GSM.

(b) *Records of proof of entry.* Exporters must obtain and maintain records of an official or customary commercial nature and grant authorized USDA officials access to such documents or records as may be necessary to demonstrate the arrival of the agricultural commodities exported in connection with the GSM-102 or GSM-103 programs in the country that was the intended country of destination of such commodities. Records demonstrating proof of entry must be in English or be accompanied by a certified or other translation acceptable to CCC. Records acceptable to meet this requirement include an original certification of entry signed by a duly authorized customs or port official of the importing country, by the importer, by an agent or representative of the vessel or shipline which delivered the agricultural commodity to the importing country, or by a private surveyor in the importing country, or other documentation deemed acceptable by the GSM showing:

(1) That the agricultural commodity entered the importing country;

(2) The identification of the export carrier;

(3) The quantity of the agricultural commodity;

(4) The kind, type, grade and/or class of the agricultural commodity; and

(5) The date(s) and place(s) of unloading of the agricultural commodity in the importing country. [Records of proof of entry need not be submitted with a claim for loss, except as may be provided in §1493.110(b)(4)(ii).]

§ 1493.110 Notice of default and claims for loss.

(a) *Notice of default.* If the foreign bank issuing the letter of credit fails to make payment pursuant to the terms

of the foreign bank letter of credit or related obligation, the exporter or the exporter's assignee must submit a notice of default to CCC as soon as possible, but not later than 10 calendar days after the date that payment was due from the foreign bank (the due date). A notice of default must be submitted in writing to the Treasurer, CCC, at the address specified in the Contacts P/R. If the exporter or the exporter's assignee fails to promptly notify CCC of defaults in accordance with this paragraph, CCC may make the payment guarantee null and void with respect to any payment(s) applicable to such default. This time limit may be extended only under extraordinary circumstances and if such extension is determined by the Controller, CCC, to be in the best interests of CCC. The notice of default must include:

- (1) Payment guarantee number;
- (2) Name of the country;
- (3) Name of the defaulting bank;
- (4) Due date;
- (5) Total amount of the defaulted payment due, indicating separately the amounts for principal and interest;
- (6) Date of foreign bank's refusal to pay, if applicable; and
- (7) Reason for foreign bank's refusal to pay, if known.

(b) *Filing a claim for loss.* A claim for a loss by the exporter or the exporter's assignee will not be paid if it is made later than six months from the due date of the defaulted payment. A claim for loss must be submitted in writing to the Treasurer, CCC, at the address specified in the Contacts P/R. The claim for loss must include the following information and documents:

- (1) Payment guarantee number;
- (2) A certification that the scheduled payment has not been received;
- (3) A certification of the amount of accrued interest in default, the date interest began to accrue, and the interest rate on the foreign bank obligation applicable to the claim;
- (4) A copy of each of the following documents, with a cover document containing a signed certification by the exporter or the exporter's assignee that each page of each document is a true and correct copy:
 - (i)(A) The foreign bank letter of credit securing the export sale; and

(B) If applicable, the document(s) evidencing the related obligation owed by the foreign bank to the assignee financial institution which is related to the foreign bank's letter of credit issued in favor of the exporter. Such related obligation must be demonstrated in one of the following ways:

(1) The related obligation, including a specific promise to pay on deferred payment terms, may be contained in the letter of credit as a special instruction from the issuing bank directly to the U.S. financial institution to refinance the amounts paid by the U.S. financial institution for obligations financed according to the tenor of the letter of credit; or

(2) The related obligation may be memorialized in a separate document(s) specifically identified and referred to in the letter of credit as the agreement under which the foreign bank is obliged to repay the U.S. financial institution on deferred payment terms; or

(3) The letter of credit payment obligations may be specifically identified in a separate document(s) setting forth the related obligation, or in a duly executed amendment thereto, as having been financed by the U.S. financial institution pursuant to, and subject to repayment in accordance with the terms of, such related obligation; or

(4) The related obligation may be memorialized in the form of a promissory note executed by the foreign bank issuing the letter of credit in favor of the U.S. financial institution submitting the claim;

(ii) Depending upon the method of shipment, the negotiable ocean carrier or intermodal bill(s) of lading signed by the shipping company with the on-board ocean carrier date for each shipment, the airway bill, or, if shipped by rail or truck, the entry certificate or similar document signed by an official of the importing country;

(iii)(A) The exporter's invoice showing, as applicable, the FAS, FOB, CFR or CIF values; or

(B) If there was an intervening purchaser, both the exporter's invoice to the intervening purchaser and the intervening purchaser's invoice to the importer;

(iv) An instrument, in form and substance satisfactory to CCC, subrogating to CCC the respective rights of the exporter and the exporter's assignee, if applicable, to the amount of payment in default under the applicable export sale. The instrument must reference the applicable foreign bank letter of credit and the related obligation, if applicable; and

(v) A copy of the report(s) of export previously submitted by the exporter to CCC pursuant to §1493.80(a).

(c) *Subsequent claims for defaults on installments.* If the initial claim is found in good order, the exporter or an exporter's assignee need only provide all of the required claims documents with the initial claim relating to a covered transaction. For subsequent claims relating to failure of the foreign bank to make scheduled installments on the same export shipment, the exporter or the exporter's assignee need only submit to CCC a notice of such failure containing the information stated in paragraph (b)(1), (2), and (3) of this section; an instrument of subrogation as per paragraph (b)(4)(iv) of this section, and including the date the original claim was filed with CCC.

§ 1493.120 Payment for loss.

(a) *Determination of CCC's liability.* Upon receipt in good order of the information and documents required under §1493.110, CCC will determine whether or not a loss has occurred for which CCC is liable under the applicable payment guarantee, this subpart and any applicable supplemental Program Announcements and Notices to Participants. If CCC determines that it is liable to the exporter and/or the exporter's assignee, CCC will pay the exporter or the exporter's assignee in accordance with paragraphs (b) and (c) of this section.

(b) *Amount of CCC's liability.* CCC's maximum liability for any claims for loss submitted with respect to any payment guarantee, not including any late interest payments due in accordance with paragraph (c) of this section, will be limited to the lesser of:

(1) The guaranteed value as stated in the payment guarantee, plus eligible interest; or

(2) The guaranteed percentage (as indicated in the payment guarantee) of the exported value indicated in the evidence of export, plus eligible interest.

(c) *Late interest payment.* If a claim is not paid within one day of receipt of a claim which CCC has determined to be in good order, late interest will accrue in favor of the exporter or the exporter's assignee beginning with the first day after the day of receipt of a claim found by CCC to be in good order and continuing until and including the date that payment is made by CCC. Late interest will be paid on the guaranteed amount, as determined by paragraphs (b)(1) and (2) of this section, and will be calculated based on the average investment rate of the most recent Treasury 91-day bill auction as announced by the Department of Treasury as of the due date.

(d) *Accelerated payments.* CCC will pay claims only for losses on amounts not paid as scheduled. CCC will not pay claims for amounts due under an accelerated payment clause in the export sales contract, the foreign bank's letter of credit, or any obligation owed by the foreign bank to the assignee U.S. financial institution which is related to the foreign bank's letter of credit issued in favor of the exporter, unless it is determined to be in the best interests of CCC by the Controller, CCC. Notwithstanding the foregoing, CCC at its option may declare the entire amount of the unpaid balance, plus accrued interest, in default and make payment to the exporter or the exporter's assignee in addition to such other claimed amount as may be due from CCC.

(e) *Action against the assignee.* Notwithstanding any other provision in this subpart to the contrary, with regard to commodities covered by a payment guarantee, CCC will not hold the assignee responsible or take any action or raise any defense against the assignee for any action, omission, or statement by the exporter of which the assignee has no knowledge, provided that:

(1) The exporter complies with the reporting requirements under §1493.80 and §1493.90, excluding post-export adjustments (i.e., corrections to evidence of export reports); and
