

§ 1721.105

7 CFR Ch. XVII (1-1-03 Edition)

consumer incurred by the Borrower to connect new full time residential consumers during the last calendar year for which data are available. The average cost per residential consumer is the total cost incurred by the Borrower and will not be reduced by the amounts received as a contribution-in-aid of construction.

§ 1721.105 Application documents.

(a) *Deferments for financial hardship.* A Borrower requesting a section 12 deferment because of financial hardship must submit the following:

(1) A summary of the financial position of the Borrower, based on the latest information available (usually less than 60 days old).

(2) A copy of the board resolution requesting an extension due to financial hardship.

(3) A 10-year financial forecast of revenues and expenses on a cash basis, by year, for the period of the extension and 5 years beyond to establish that the remaining payments can be made as rescheduled.

(4) A listing of notes or portions of notes to be extended, the effective date for the beginning of the extension, and the length of the extension.

(5) A narrative description of the nature and cause of the hardship and the strategy that will be instituted to mitigate or eliminate the effects of the hardship.

(b) *Deferments for energy resource conservation loans.* A Borrower requesting principal deferments for an ERC loan program must submit the following information:

(1) A letter from the Borrower's General Manager requesting an extension of principal payments for the purpose of offering an ERC loan program to its members and describing the details of the program.

(2) A copy of the board resolution establishing the ERC loan program.

(c) *Deferments for renewable energy projects.* A Borrower requesting principal deferments for its renewable energy project must submit the following information:

(1) A letter from the Borrower's General Manager requesting an extension of principal payments for the purpose of financing a renewable energy project

and describing the details of the project.

(2) A copy of the board resolution establishing the renewable energy project.

(d) *Deferments for contribution-in-aid of construction.* A Borrower requesting principal deferments for contribution-in-aid of construction must submit the following information:

(1) A letter from the Borrower's General Manager requesting an extension of principal payments for the purpose of offering a contribution-in-aid of construction program and describing the details of the program.

(2) A copy of the board resolution establishing the contribution-in-aid of construction program.

(3) A summary of the calculations used to determine the average cost per residential consumer. (See § 1721.104 (e)(2)).

§ 1721.106 Repayment of deferred payments.

(a) *Deferments relating to financial hardship.* The total amount of principal and interest that has been deferred, including interest on deferred principal, will be added to the principal balance, and the total amount of principal and interest that has been deferred will be reamortized over the life of the applicable note beginning in the first year the deferral period ends. For example: the amount of interest deferred in years 2001, 2002, 2003, 2004, and 2005, will be added to the principal balance and reamortized over the life of the applicable note for repayment starting in year 2006.

(b) *Deferments relating to the ERC loan program, renewable energy project, and the contribution-in-aid of construction.* An extension agreement is for a term of two (2) years. The installment will be recalculated each time the Borrower defers the payment of principal and recognition of the deferred amount will begin with the next payment. For example: the amount deferred in the October payment will be reamortized over a 84 month period starting with the next payment (November if paying on a monthly basis). When a Borrower defers principal under any of these programs the scheduled payment on the account will increase by an amount
