§ 1753.94 Procedures.

(a) Certification borrowers shall appoint three certification officials. These appointments shall be subject to RUS approval.

(1) The "Certifying Officer" shall be an officer or employee of the borrower who is authorized to execute binding agreements. This officer shall sign all contracts, amendments, closeout documents and the certification on RUS Form 158, Certification of Contract or Force Account Proposal Approval, and RUS Form 159, Summary of Completed Construction.

(2) The "Construction Certifier" shall be an experienced telephone engineer who is either licensed in the state where the inspection will be performed, or is a borrower's staff engineer who meets the requirements of the "employee in charge" of force account engineering as described in subpart B of this part. RUS may determine that it will accept the certification only for matters within the staff engineer's area of specialization. In such cases the position of "Construction Certifier" shall be filled by more than one engineer. This official is responsible for certifying that the construction complies with all technical and code requirements.

(3) The "Certification Coordinator" shall administer the certification program and serve as the official point of contact for RUS. The certifying officer or construction certifier may also serve as the certification coordinator.

(b) Certification borrowers, shall submit and obtain RUS approval of a work plan before construction and related engineering begin.

(1) The work plan shall provide a description of the proposed construction and methods of purchasing in such detail as to enable RUS to monitor the
