§§ 1965.28–1965.30 [Reserved]

§ 1965.31 Taking liens or real estate as additional security in servicing FmHA or its successor agency under Public Law 103-354 loans.

Additional liens will not be taken for other loans on marginal land used for the production of softwood timber if the land is presently securing an ST loan.

(a) *Liens.* When taking real estate as additional security, the best lien obtainable will be taken on any real estate owned by the borrower, including any real estate which already serves as security for another loan. Normally, the prior concurrence of the District Director will be obtained. Liens will be taken only when:

(1) Present security for the loan is not adequate to protect the interests of the FmHA or its successor agency under Public Law 103-354, and

(2) The borrower is delinquent, has substantial equity in the real estate to be mortgaged and it is determined that the taking of the mortgage will not prevent the making of an FmHA or its successor agency under Public Law 103-354 real estate loan, which might be needed in the foreseeable future.

(b) *Real estate.* Before taking real estate as additional security for an FmHA or its successor agency under Public Law 103-354 loan the following items will be documented in the running record:

(1) the facts which justify taking the real estate lien;

(2) A conservative estimate of the present market value of the real estate to be mortgaged. (It will not be necessary to submit an appraisal of the property to be mortgaged.);

(3) A brief description of any existing liens on the property, and the repayment terms and the unpaid balance on the debts secured by existing liens, unless this is accurately reflected on a recent financial statement; and

(4) The name of the title holder and how title of the property is held. (Title evidence need not be required.)

(c) *Forms.* Each real estate lien taken as additional security for the FmHA or its successor agency under Public Law 103-354 loans will be taken on Form FmHA or its successor agency under Public Law 103-354 1927-1 (state), "Real Estate Mortgage or Deed of Trust for _____ (Insured Loans to Individuals)" unless a State supplement requires the use of a form of mortgage comparable to that which secures the existing loan(s) to be additionally secured. The notes evidencing the FmHA or its successor agency under Public Law 103-354 loans for which the additional security will be taken will be described in the same mortgage.
