

§ 154.8

The statement must include a summary of the changes or additions made to the tariff or executed service agreement, as appropriate. The statement must include a quantified summary comparing the cost of service, rate base and throughput underlying each change in rate made to the tariff or executed service agreement compared to the same information underlying the last rate found by the Commission to be just and reasonable. A detailed explanation of the need for each change or addition to the tariff or executed service agreement must be included. The natural gas company also must note all relevant precedents relied upon to prepare its filing.

(7) Any requests for waiver. A request for waiver must include a reference to the specific section of the statute, regulations, or the company's tariff from which waiver is sought, and a justification for the waiver.

(8) Where the natural gas company proposes a new rate, identification of the last rate, found by the Commission to be just and reasonable, that underlies the proposed rate.

(9) A motion, in case of minimal suspension, to place the proposed rates into effect at the end of the suspension period; or, a specific statement that the pipeline reserves its right to file a later motion to place the proposed rates into effect at the end of the suspension period.

(b) A certification of service pursuant to §154.2(d) to all customers on the service list and interested state commissions.

[Order 582, 60 FR 52996, Oct. 11, 1995, as amended by Order 582-A, 61 FR 9628, Mar. 11, 1996]

§ 154.8 Informal submission for staff suggestions.

Any natural gas company may informally submit a proposed tariff or any part thereof or material relating thereto for the suggestions of the Commission staff prior to filing. Opinions of the Commission staff are not binding upon the Commission.

18 CFR Ch. I (4-1-04 Edition)

Subpart B—Form and Composition of Tariff

§ 154.101 Form.

The paper copies of the tariff must be printed, typewritten, or otherwise reproduced on 8½ by 11 inch sheets of a durable paper so as to result in a clear and permanent record. The sheets of the tariff must be ruled to set off borders of 1¼ inches on top, bottom, and left sides and ½ inch on the right side, and punched (3 holes) on the left side.

[Order 582, 60 FR 52996, Oct. 11, 1995, as amended by Order 582-A, 61 FR 9628, Mar. 11, 1996]

§ 154.102 Title page and arrangement.

(a) The title page must show on the front cover:

FERC Gas Tariff

[Volume number. For example: "Original Volume No. 1"] of [Name of Natural-Gas Company]

Filed with The Federal Energy Regulatory Commission

(b) If the tariff consists of two or more volumes, the volumes must be identified by "(Original) Volume No. (1)", directly below the words "FERC Gas Tariff."

(c) When any volume of a tariff is to be superseded or replaced in its entirety, the replacing volume must show prominently on the title page the volume number being superseded or replaced. For example:

FERC Gas Tariff

First Revised Volume No. 1 (Supersedes Original Volume No. 1)

(d) The first page must be a title page which must carry the information shown in paragraph (b) of this section and, in addition, the name, title, and address, telephone number, and facsimile number of the person to whom communications concerning the tariff should be sent. If the address is a post office box number, a street address must also be included.

(e) All sheets must have the following information placed in the margins:

(1) *Identification.* At the left, above the top marginal ruling, the exact name of the company must be shown, under which must be set forth the words "FERC Gas Tariff," together with volume identification.

(2) *Numbering of sheets.* Except for the title page, at the right above the top marginal ruling, the sheet number must appear after the words "(Original) Sheet No.(number)." All sheets must be numbered in the manner set forth in the Tariff Sheet Pagination Guidelines contained in the instructions for filing natural gas company tariffs on electronic media.

(3) *Issuing officer and issue date.* On the left below the lower marginal ruling, must be placed "Issued by": followed by the name and title of the person authorized to issue the sheet. Immediately below must be placed "Issued on" followed by the date of issue.

(4) *Effective date.* On the right below the lower marginal ruling must be placed "Effective": followed by the specific effective date proposed by the company.

(5) *Tariff Sheets filed to comply with Commission orders.* Tariff sheets which are filed to comply with Commission orders must carry the following notation in the bottom margin: "Filed to comply with order of the Federal Energy Regulatory Commission, Docket No. (number), issued (date), (FERC Reports citation)."

§ 154.103 Composition of tariff.

(a) The tariff must contain sections, in the following order: A table of contents, a preliminary statement, a map of the system, currently effective rates, composition of rate schedules, general terms and conditions, form of service agreement, and an index of customers.

(b) Rate schedules must be grouped according to class and numbered serially within each group, using letters before the serial number to indicate the class of service. For example: FT-1, FT-2 may be used for firm transportation service; IT-1, IT-2 may be used for interruptible transportation service; X-1, X-2 may be used for schedules for which special exception has been obtained.

§ 154.104 Table of contents.

The table of contents must contain a list of the rate schedules, sections of the general terms and conditions, and other sections in the order in which they appear, showing the sheet number of the first page of each section. The list of rate schedules must consist of: The alphanumeric designation of each rate schedule, a very brief description of the service, and the sheet number of the first page of each rate schedule.

§ 154.105 Preliminary statement.

The preliminary statement must contain a brief general description of the company's operations and may also contain a general explanation of its policies and practices. General rules and regulations, and any material necessary for the interpretation or application of the rate schedules, may not be included in the preliminary statement.

§ 154.106 Map.

(a) The map must show the general geographic location of the company's principal pipeline facilities and of the points at which service is rendered under the tariff. The boundaries of any rate zones or rate areas must be shown and the areas or zones identified. The entire system should be displayed on a single map. In addition, a separate map should be provided for each zone.

(b) The map must be provided on paper only.

(c) The map must be revised to reflect any major changes. The revised map must be filed no later than April 30 of the calendar year after the major change.

§ 154.107 Currently effective rates.

(a) This section of the tariff must present the currently effective rates and charges under each rate schedule.

(b) All rates must be stated clearly in cents or dollars and cents per thermal unit. The unit of measure must be stated for each component of a rate.

(c) A rate having more than one part must have each component set out separately under appropriate headings (e.g., "Reservation Charge," "Usage Charge.")
