§ 351.106 De minimis net countervailable subsidies and weighted-average dumping margins disregarded.

(a) *Introduction.* Prior to the enactment of the URAA, the Department had a well-established and judicially sanctioned practice of disregarding net countervailable subsidies or weighted-average dumping margins that were *de minimis*. The URAA codified in the Act the particular *de minimis* standards to be used in antidumping and countervailing duty investigations. This section discussed the application of the *de minimis* standards in antidumping or countervailing duty proceedings.

(b) *Investigations—(1) In general.* In making a preliminary or final antidumping or countervailing duty determination in an investigation (see sections 703(b), 733(b), 705(a), and 735(a) of the Act), the Secretary will apply the *de minimis* standard set forth in section

703(b)(4) or section 733(b)(3) of the Act (whichever is applicable).

(ii) The Secretary will apply the *de minimis* standard in effect at the time that the investigation was initiated.

(c) *Reviews and other determinations—*

(1) *In general.* In making any determination other than a preliminary or final antidumping or countervailing duty determination in an investigation (see paragraph (b) of this section), the Secretary will treat as *de minimis* any weighted-average dumping margin or countervailable subsidy rate that is less than 0.5 percent *ad valorem*, or the equivalent specific rate.

(2) *Assessment of antidumping duties.* The Secretary will instruct the Customs Service to liquidate without regard to antidumping duties all entries of subject merchandise during the relevant period of review made by any person for which the Secretary calculates an assessment rate under § 351.212(b)(1) that is less than 0.5 percent *ad valorem*, or the equivalent specific rate.

§ 351.107 Cash deposit rates for non-producing exporters; rates in antidumping proceedings involving a nonmarket economy country.

(a) *Introduction.* This section deals with the establishment of cash deposit rates in situations where the exporter is not the producer of subject merchandise, the selection of the appropriate cash deposit rate in situations where entry documents do not indicate the producer of subject merchandise, and the calculation of dumping margins in antidumping proceedings involving imports from a nonmarket economy country.

(b) *Cash deposit rates for nonproducing exporters—(1) Use of combination rates—*

(i) *In general.* In the case of subject merchandise that is exported to the United States by a company that is not the producer of the merchandise, the
