vital statistics office will electronically transmit the request to SSA's central office in Baltimore, MD, along with the child's name, date and place of birth, sex, mother's maiden name, father's name (if shown on the birth registration), address of the mother, and birth certificate number. This birth registration information received by SSA from the State vital statistics office will be used to establish the age, identity, and U.S. citizenship of the newborn child. Using this information, SSA will assign a number to the child and send the social security number card to the child at the mother's address.

(3) *Request on immigration document.* Where an alien has requested a social security number as part of the immigration process described in paragraph (b)(3) of this section, INS will electronically transmit to SSA's central office in Baltimore, MD, the data elements collected for immigration purposes, by both INS and DOS, that SSA needs to assign the alien a social security number along with other data elements as agreed upon by SSA and DOS or INS. The data elements received by SSA will be used to establish the age, identity, and lawful alien status or authority to work of the alien. Using this data, SSA will assign a social security number to the alien and send the social security number card to him/her at the address the alien provides to DOS or INS (or to the sponsoring agency of a refugee, if no personal mailing address is available).

(d) *Social security number cards.* A person who is assigned a social security number will receive a social security number card from SSA within a reasonable time after the number has been assigned. (See § 422.104 regarding the assignment of social security number cards to aliens.) Social security number cards are the property of SSA and must be returned upon request.

(e) *Replacement of social security number card.* In the case of a lost or damaged social security number card, a duplicate card bearing the same name and number may be issued. In the case of a need to change the name on the card, a corrected card bearing the same number and the new name may be issued. In both cases, a Form SS-5

must be completed. A Form SS-5 can be obtained from any Social Security office or from one of the sources noted in paragraph (b) of this section. For evidence requirements, see § 422.107.

§ 422.104 Who can be assigned a social security number.

(a) *Persons eligible for SSN assignment.* We can assign you a social security number if you meet the evidence requirements in § 422.107 and you are:

(1) A United States citizen; or

(2) An alien lawfully admitted to the United States for permanent residence or under other authority of law permitting you to work in the United States (§ 422.105 describes how we determine if a nonimmigrant alien is permitted to work in the United States); or

(3) An alien who cannot provide evidence of alien status showing lawful admission to the U.S., or an alien with evidence of lawful admission but without authority to work in the U.S., if the evidence described in § 422.107(e) does not exist, but only for a valid nonwork reason. We consider you to have a valid nonwork reason if:

(i) You need a social security number to satisfy a Federal statute or regulation that requires you to have a social security number in order to receive a Federally-funded benefit to which you have otherwise established entitlement and you reside either in or outside the U.S.; or

(ii) You need a social security number to satisfy a State or local law that requires you to have a social security number in order to receive public assistance benefits to which you have otherwise established entitlement, and you are legally in the United States.

(b) *Annotation for a nonwork purpose.* If we assign you a social security number as an alien for a nonwork purpose, we will indicate in our records that you are not authorized to work. We will also mark your social security card with a legend such as "NOT VALID FOR EMPLOYMENT." If earnings are reported to us on your number, we will inform the Department of Homeland Security of the reported earnings.
