§ 120.1 General authorities and eligibility.

(a) Section 38 of the Arms Export Control Act (22 U.S.C. 2778) authorizes the President to control the export and import of defense articles and defense services. The statutory authority of the President to promulgate regulations with respect to exports of defense articles and defense services was dele-

gated to the Secretary of State by Executive Order 11958, as amended. This subchapter implements that authority. By virtue of delegations of authority by the Secretary of State, these regulations are primarily administered by the Deputy Assistant Secretary for Defense Trade Controls and Managing Director of Defense Trade Controls, Bureau of Political-Military Affairs.

(b)(1) *Authorized officials.* All authorities conferred upon the Deputy Assistant Secretary for Defense Trade Controls or the Managing Director of Defense Trade Controls by this subchapter may be exercised at any time by the Under Secretary of State for Arms Control and International Security or the Assistant Secretary of State for Political-Military Affairs unless the Legal Adviser or the Assistant Legal Adviser for Political-Military Affairs of the Department of State determines that any specific exercise of this authority under this paragraph may be inappropriate.

(2) In the Bureau of Political-Military Affairs, there is a Deputy Assistant Secretary for Defense Trade Controls (DAS—Defense Trade Controls) and a Managing Director of Defense Trade Controls (MD—Defense Trade Controls). The DAS—Defense Trade Controls and the MD—Defense Trade Controls are responsible for exercising the authorities conferred under this subchapter. The DAS—Defense Trade Controls is responsible for oversight of the defense trade controls function. The MD—Defense Trade Controls is responsible for the Directorate of Defense Trade Controls, which oversees the subordinate offices described in paragraph (b)(2)(i) of this section.

(i) All references to the Office of Defense Trade Controls and the Director of the Office of Defense Trade Controls contained in the International Traffic in Arms Regulations (ITAR) shall be deemed to be references to:

(A) The Office of Defense Trade Controls Management and the Director, Office of Defense Trade Controls Management, respectively, insofar as such references relate to management of defense trade controls operations; to include the exercise of general authorities in this part 120 and the design, development, and refinement of processes, activities, and functional tools for the export licensing regime and to effect export compliance/enforcement activities;

(B) The Office of Defense Trade Controls Licensing and the Director, Office of Defense Trade Controls Licensing, respectively, insofar as such references relate to licensing or other authorization of defense trade, including references under parts 123, 124, 125, 126, 129 and 130 of this subchapter, and the commodity jurisdiction procedure under this part 120;

(C) The Office of Defense Trade Controls Compliance and the Director, Office of Defense Trade Controls Compliance, respectively, insofar as such references relate to violations of law or regulation and compliance therewith, including references contained in parts 127, 128 and 130, of this subchapter, and including references under part 122 of this subchapter, and that portion under part 129 of this subchapter pertaining to registration;

(D) The Office of Defense Trade Controls Policy and the Director, Office of Defense Trade Controls Policy, respectively, insofar as such references relate to the general policies of defense trade, including references under this part 120 and part 126 of this subchapter.

(ii) Further amendments to the ITAR will be promulgated to reflect the specific changes as a result of this realignment.

(c) *Eligibility.* Only U.S. persons (as defined in §120.15) and foreign governmental entities in the United States may be granted licenses or other approvals (other than retransfer approvals sought pursuant to this subchapter). Foreign persons (as defined in §120.16) other than governments are not eligible. U.S. persons who have been convicted of violating the criminal statutes enumerated in §120.27, who have been debarred pursuant to part 127 or 128 of this subchapter, who are

the subject of an indictment involving the criminal statutes enumerated in §120.27, who are ineligible to contract with, or to receive a license or other form of authorization to import defense articles or defense services from any agency of the U.S. Government, who are ineligible to receive export licenses (or other forms of authorization to export) from any agency of the U.S. Government, who are subject to Department of State Suspension/Revocation under §126.7 (a)(1)-(a)(7) of this subchapter, or who are ineligible under §127.6(c) of this subchapter are generally ineligible. Applications for licenses or other approvals will be considered only if the applicant has registered with the Office of Defense Trade Controls pursuant to part 122 of this subchapter. All applications and requests for approval must be signed by a U.S. person who has been empowered by the registrant to sign such documents.

(d) The exemptions provided in this subchapter do not apply to transactions in which the exporter or any party to the export (as defined in §126.7(e) of this subchapter) is generally ineligible as set forth above in paragraph (c) of this section, unless an exception has been granted pursuant to §126.7(c) of this subchapter.

§ 120.2 Designation of defense articles and defense services.

The Arms Export Control Act (22 U.S.C. 2778(a) and 2794(7)) provides that the President shall designate the articles and services deemed to be defense articles and defense services for purposes of this subchapter. The items so designated constitute the United States Munitions List and are specified in part 121 of this subchapter. Such designations are made by the Department of State with the concurrence of the Department of Defense. For a determination on whether a particular item is included on the U.S. Munitions List see §120.4(a).
