for those transactions which are exempt from the provisions of the Act or which have been granted an exempt status by the Secretary, unless the Secretary has specifically authorized the use of multiple Property Reports.

(e) *Initial Statement of Record—when prior approval to submit is required.* In those subdivisions where there is a disparity between the lots already registered and those sought to be registered because of location, terrain, proposed use of the lots or the amenities to be furnished or available, the developer may present a resume of the differences and request the Secretary's permission to file a separate initial Statement of Record for the additional lots. Upon consideration of the facts submitted, the Secretary may allow such a procedure.

(f) *Lots which have been deleted from registration.* Should the developer, for any reason, delete by amendment any registered lots from an effective Statement of Record, those lots must be re-registered by a consolidation and a new effective date issued, before they can be sold or leased. An appropriate fee must accompany the submission.

(g) *Lots sold to individual purchasers.* It is not necessary to delete from the registration those lots which have been sold to individual purchasers for their own use.
