

§ 2002.15

(b) *Charge for unsuccessful search.* Ordinarily no charge for search time will be assessed when the records requested are not found or when the records located are withheld as exempt. However, if the requester has been notified of the estimated cost of the search time and has been advised specifically that the requested records may not exist or may be withheld as exempt, fees shall be charged.

(c) *Use of Debt Collection Act of 1982.* When a requester has failed to pay a fee charged in a timely fashion (*i.e.*, within 30 days of the date of the billing), HUD may, under the authority of the Debt Collection Act and part 17, subpart C of this title, use consumer reporting agencies and collection agencies, where appropriate, to recover the indebtedness owed the Department.

[53 FR 37552, Sept. 27, 1988]

§ 2002.15 Advance payments.

(a) HUD may not require a requester to make an advance payment, *i.e.*, payment before work is commenced or continued on a request, unless:

(1) HUD estimates or determines that allowable charges that a requester may be required to pay are likely to exceed \$250. Then, HUD will notify the requester of the likely cost and obtain satisfactory assurance of full payment where the requester has a history of prompt payment of FOIA fees, or require an advance payment of an amount up to the full estimated charges in the case of requesters with no history of payment; or

(2) Where a requester has previously failed to pay a fee charged in a timely fashion (*i.e.*, within 30 days of the date of the billing), HUD may require the requester to pay the full amount owed plus any applicable interest as provided by §2002.13(a) or demonstrate that he has, in fact, paid the fees, and to make an advance payment of the full amount of the estimated fee before HUD begins to process a new request or a pending request from that requester.

(b) When HUD acts under paragraph (a)(1) or (a)(2) of this section, the administrative time limits prescribed in subsection (a)(6) of the FOIA (*i.e.*, 20 working days from receipt of initial requests and 20 working days from receipt of appeals from initial denial,

24 CFR Ch. XII (4-1-04 Edition)

plus permissible extensions of these time limits) will begin only after HUD has received fee payments described in paragraph (a) of this section.

(c) Where it is anticipated that either the duplication fee individually, the search fee individually, or a combination of the two exceeds \$25.00 over and above the free search time and duplication costs, where applicable, and the requesting party has not indicated in advance a willingness to pay so high a fee, the requesting party shall be promptly informed of the amount of the anticipated fee or such portion thereof as can readily be estimated. The notification shall offer the requesting party the opportunity to confer with agency representatives for the purpose of reformulating the request so as to meet that party's needs at a reduced cost.

§ 2002.17 Time limitations.

(a) Upon receipt of a request for records, the appropriate Assistant Inspector General or an appointed designee will determine within twenty (20) working days whether to grant the request. The Assistant Inspector General or designee will notify the requestor immediately in writing of the determination and the right of the person to request a review by the Inspector General of an adverse determination.

(b) The time of receipt for processing a request for records purposes is the time it is received by the appropriate office for review. If a request is misdirected by the requester, the Office of Inspector General or Department official who receives the request will promptly refer it to the appropriate office and will advise the requester about the delayed time of receipt.

(c) A determination with respect to a request for review by the Inspector General of HUD under §2002.25 will be made within 20 working days after receipt and will be communicated immediately to the person requesting review.

(d) If the Office of Inspector General grants the request for records, the records will be made available promptly to the requester.

(e) In unusual circumstances as specified in this paragraph, and subject to the concurrence of any Assistant Inspector General or appointed designee, the time limits prescribed in either paragraph (a) or (c) of this section may be extended. Any extension will be in writing to the requester and will include reasons for the extension and the date on which the disposition of the request will be sent. No extension will be for more than ten working days. As used in this paragraph, *unusual circumstances* means (but only to the extent necessary to the proper processing of the particular request) that there is a need:

(1) To search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request; or

(2) To search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) For consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request or among two or more offices of the Office of Inspector General having a substantial interest in the subject matter of the request.

§ 2002.19 Authority to release records or copies.

Any Assistant Inspector General or an appointed designee is authorized to release any record (or copy) pertaining to activities for which he or she has primary responsibility, unless disclosure is clearly inappropriate under this part. No authorized person may release records for which another officer has primary responsibility without the consent of the officer or his or her designee.

§ 2002.21 Authority to deny requests for records and form of denial.

(a) An Assistant Inspector General may deny a request for a record. Any denial will:

(1) Be in writing;

(2) State simply the reasons for the denial;

(3) State that review of the denial by the Inspector General of HUD may be requested;

(4) Set forth the steps for obtaining review consistent with § 2002.25; and

(5) Be signed by the Assistant Inspector General responsible for the denial.

(b) The classes of records authorized to be exempted from disclosure by the Freedom of Information Act (5 U.S.C. 552) are those which concern matters that are:

(1)(i) Specifically authorized under criteria established by an executive order to be kept secret in the interest of national defense or foreign policy; and

(ii) Are in fact properly classified under the cited executive order;

(2) Related solely to the internal personnel rules and practices of HUD;

(3) Specifically exempted from disclosure by statute (other than section 552b of title 5), provided that the statute either:

(i) Requires that the matters be withheld from the public in a manner that leaves no discretion on the issue; or

(ii) Establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(4) Trade secrets and commercial or financial information that are obtained from a person and are privileged or confidential;

(5) Inter-agency or intra-agency memoranda or letters that would not be available by law to a party other than an agency in litigation with HUD;

(6) Personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;
