

§ 203.675

(2) The occupant agrees to execute a month-to-month lease, at the time of acquisition of the property by the Secretary and on a form prescribed by HUD, to pay fair market rent as determined by the Secretary, and to pay the rent for the first month in advance at the time the lease is executed. The rental rate shall be established on the basis of rents charged for other properties in comparable condition after completion of repairs (if any).

(3) The occupant will have been in occupancy at least 90 days before the date the mortgagee acquires title to the property.

(4) The occupant's total housing cost (rent plus utility costs to be paid by the occupant) will not exceed 38 percent of the occupant's net effective income (gross income less Federal income taxes). However, a higher percentage may be permitted if the occupant has been paying at least the required rental amount for the dwelling, or if there are other compensating factors (e.g., where the occupant is able to rely on cash savings or on contributions from family members to cover total housing costs).

(5) The occupant agrees to allow access to the property (during normal business hours and upon a minimum of two days advance notice) by HUD Field Office staff or by a HUD representative, so that the property may be inspected and any necessary repairs accomplished, or by a sales broker.

(6) The occupant discloses and verifies Social Security Number, as provided by part 200, subpart T, of this chapter.

(b) The notice shall provide a brief summary of the conditions under which continued occupancy is permissible and advise them that:

(1) Potential acquisition of the property by the Secretary is pending;

(2) The Secretary requires that properties be vacant at the time of conveyance to the Secretary, unless the mortgagor or other occupant can meet the conditions for continued occupancy in § 203.670, the habitability criteria in § 203.673, and the eligibility criteria in § 203.674;

(3) An occupant may request permission to remain in occupancy in the event of acquisition of the property by the Secretary by notifying the HUD Field Office in writing, with any required documentation, within 20 days of the date of the mortgagee's notice to the occupant;

(4) If an occupant seeks to qualify for continued occupancy under the illness or injury provisions of § 203.674(a), the occupant shall provide to the HUD Field Office, at the time of the occupant's request for permission to remain in occupancy, documentation to support this claim. Documentation shall include an estimate of the time when the patient could be moved without severely aggravating the illness or injury, and a statement by a State-certified physician establishing the validity of the occupant's claim. HUD may require more than one medical opinion or may arrange an examination by a physician approved by HUD; and

(5) If an occupant fails to make a timely request, the property must be vacated before the scheduled time of acquisition.
