thereafter. The amount shall be adjusted, after analysis, to provide sufficient available funds to make anticipated disbursements during the ensuing year. The mortgagor shall be given at least ten days notice of adjustment in the amount of withholding and an adequate explanation of the reasons for any change. When the amount withheld is analyzed in accordance with this paragraph, any surplus shall be paid to the mortgagor and added to the mortgage balance. Any shortage shall be corrected through increasing the monthly withholding as provided in paragraph (e)(4) of this section. If amounts withheld are insufficient to pay a property charge before it is delinquent, and the mortgagor could request a payment equal to the shortage under § 206.26(c), then the mortgagee shall pay the full property charge and treat payment of the shortage as a payment requested by the mortgagor under § 206.26(c).

(4) The mortgagee's estimate of withholding amount shall be based on the best information available as to probable payments which will be required to be made for property charges in the coming year. If actual disbursements during the preceding year are used as the basis, the resulting estimate may deviate from those disbursements by as much as ten percent. The mortgagee may not require withholding in excess of the current estimated total annual requirement, unless expressly requested by the mortgagor. Each monthly withholding for property charges shall equal one-twelfth of the annual amounts as reasonably estimated by the mortgagee.

(f) *Set aside for first year property charges.* If the mortgagor elects to require the mortgagee to pay property charges and to receive payments under the term or tenure payment option, then the mortgagee shall set aside at closing a portion of the principal limit that will be sufficient to pay such items for the period beginning in the last date on which each such charge would have been paid under the normal lending practices of the mortgagee and local custom (if each such date constitutes prudent lending practice), and

§ 206.207 Allowable charges and fees after endorsement.

(b) *Servicing charges.* The mortgagee may collect a fixed monthly charge for servicing activities of the mortgagee or servicer if (1) the charge is authorized by the Secretary, (2) the charge is disclosed as required by § 206.43 to the mortgagor in a manner acceptable to the Secretary at the time the mortgagee provides the mortgagor with a loan application, (3) amounts to pay the charge are set aside as a portion of the principal limit, and (4) the charge is payable only from the set aside.
