

that the grantee submits to HUD an application for assistance that is later approved and funded;

(ii) Before the submission of the application to HUD, if the grantee, project sponsor, or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the assisted project; or

(iii) By a tenant-occupant of a dwelling unit, if any one of the following three situations occurs:

(A) The tenant moves after the “initiation of negotiations” and the move occurs before the tenant has been provided written notice offering him or her the opportunity to lease and occupy a suitable, decent, safe and sanitary dwelling in the same building/complex, under reasonable terms and conditions, upon completion of the project. Such reasonable terms and conditions include a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

(1) The tenant’s monthly rent before the initiation of negotiations and estimated average utility costs, or

(2) 30 percent of gross household income; or

(B) The tenant is required to relocate temporarily, does not return to the building/complex and either:

(1) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, or

(2) Other conditions of the temporary relocation are not reasonable; or

(C) The tenant is required to move to another unit in the same building/complex but is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move, or other conditions of the move are not reasonable.

(2) Notwithstanding the provisions of paragraph (f)(1) of this section, a person does not qualify as a “displaced person” (and is not eligible for relocation assistance under the URA or this section), if:

(i) The person has been evicted for serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation or applicable Federal, State or local law, or other good cause, and HUD determines that the eviction was not undertaken for

the purposes of evading the obligation to provide relocation assistance;

(ii) The person moved into the property after the submission of the application and, before signing a lease and commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated, or suffer a rent increase) and the fact that the person would not qualify as a “displaced person” (or for any assistance provided under this section), if the project is approved;

(iii) The person is ineligible under 49 CFR 24.2(g)(2); or

(iv) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(3) The grantee or project sponsor may request, at any time, HUD’s determination of whether a displacement is or would be covered under this section.

(g) *Definition of initiation of negotiations.* For purposes of determining the formula for computing the replacement housing assistance to be provided to a residential tenant displaced as a direct result of privately undertaken rehabilitation, demolition, or acquisition of the real property, the term “initiation of negotiations” means the execution of the agreement between the grantee and the project sponsor.

This part implements the Emergency Shelter Grants program contained in subtitle B of title IV of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11371-11378). The program authorizes the Secretary to make grants to States, units of general local government, territories, and Indian tribes (and to private nonprofit organizations providing assistance to homeless individuals in the case of grants made with reallocated amounts) for the rehabilitation or conversion of buildings for use as emergency shelter for the homeless, for the payment of certain operating expenses and essential services in connection with emergency shelters for the homeless, and for homeless prevention activities. The program is designed to be the first step in a continuum of assistance to enable homeless individuals and families to move toward independent living as well as to prevent homelessness.
