

§ 586.15(a), send written notification both to DoD and the LRA of its preliminary determination that the application meets or fails to meet the requirements of § 586.35(b). If the application fails to meet the requirements, HUD will send the LRA:

(i) A summary of the deficiencies in the application;

(ii) An explanation of the determination; and

(iii) A statement of how the LRA must address the determinations.

(2) In the event that no application is submitted and no extension is requested as of the deadline specified in § 586.20(c)(5), and the State does not accept within 30 days a DoD written request to become recognized as the LRA, the absence of such application will trigger an adverse determination by HUD effective on the date of the lapsed deadline. Under these conditions, HUD will follow the process described at § 586.40.

(d) *Opportunity to cure.* (1) The LRA shall have 90 days from its receipt of the notice of preliminary determination under § 586.35(c)(1) within which to submit to HUD and DoD a revised application which addresses the determinations listed in the notice. Failure to submit a revised application shall result in a final determination, effective 90 days from the LRA's receipt of the preliminary determination, that the redevelopment plan fails to meet the requirements of § 586.35(b).

(2) HUD shall, within 30 days of its receipt of the LRA's resubmission, send written notification of its final determination of whether the application meets the requirements of § 586.35(b) to both DOD and the LRA.

§ 586.40 Adverse determinations.

(a) *Review and consultation.* If the resubmission fails to meet the requirements of § 586.35(b), or if no resubmission is received, HUD will review the original application, including the notices of interest submitted by representatives of the homeless. In addition, in such instances or when no original application has been submitted, HUD:

(1) Shall consult with the representatives of the homeless, if any, for purposes of evaluating the continuing in-

terest of such representatives in the use of buildings or property at the installation to assist the homeless;

(2) May consult with the applicable Military Department regarding the suitability of the buildings and property at the installation for use to assist the homeless; and

(3) May consult with representatives of the homeless and other parties as necessary.

(b) *Notice of decision.* (1) Within 90 days of receipt of an LRA's revised application which HUD determines does not meet the requirements of § 586.35(b), HUD shall, based upon its reviews and consultations under § 586.40(a):

(i) Notify DoD and the LRA of the buildings and property at the installation that HUD determines are suitable for use to assist the homeless; and

(ii) Notify DoD and the LRA of the extent to which the revised redevelopment plan meets the criteria set forth in § 586.35(b).

(2) In the event that an LRA does not submit a revised redevelopment plan under § 586.35(d), HUD shall, based upon its reviews and consultations under § 586.40(a), notify DoD and the LRA of the buildings and property at the installation that HUD determines are suitable for use to assist the homeless, either

(i) Within 190 days after HUD sends its notice of preliminary adverse determination under § 586.35(c)(1), if an LRA has not submitted a revised redevelopment plan; or

(ii) Within 390 days after the Military Department's FEDERAL REGISTER publication of available property under § 586.20(b), if no redevelopment plan has been received and no extension has been approved.

§ 586.45 Disposal of buildings and property.

(a) *Public benefit transfer screening.* Not later than the LRA's submission of its redevelopment plan to DoD and HUD, the Military Department will conduct an official public benefit transfer screening in accordance with the Federal Property Management Regulations (41 CFR part 101-47.303-2) based upon the uses identified in the

redevelopment plan. Federal sponsoring agencies shall notify eligible applicants that any request for property must be consistent with the uses identified in the redevelopment plan. At the request of the LRA, the Military Department may conduct the official State and local public benefit screening at any time after the publication of available property described at § 586.20(b).

(b) *Environmental analysis.* Prior to disposal of any real property, the Military Department shall, consistent with NEPA and section 2905 of the Defense Base Closure and Realignment Act of 1990, as amended (10 U.S.C. 2687 *note*), complete an environmental impact analysis of all reasonable disposal alternatives. The Military Department shall consult with the LRA throughout the environmental impact analysis process to ensure both that the LRA is provided the most current environmental information available concerning the installation, and that the Military Department receives the most current information available concerning the LRA's redevelopment plans for the installation.

(c) *Disposal.* Upon receipt of a notice of approval of an application from HUD under § 586.35(c)(1) or § 586.35(d)(2), DoD shall dispose of buildings and property in accordance with the record of decision or other decision document prepared under § 586.45(b). Disposal of buildings and property to be used as homeless assistance facilities shall be to either the LRA or directly to the representative(s) of the homeless and shall be without consideration. Upon receipt of a notice from HUD under § 586.40(b), DoD will dispose of the buildings and property at the installation in consultation with HUD and the LRA.

(d) *LRA's responsibility.* The LRA shall be responsible for the implementation of and compliance with legally binding agreements under the application.

(e) *Reversions to the LRA.* If a building or property reverts to the LRA under a legally binding agreement under the application, the LRA shall take appropriate actions to secure, to the maximum extent practicable, the utilization of the building or property by

other homeless representatives to assist the homeless. An LRA may not be required to utilize the building or property to assist the homeless.
