

that were occupied by non-elderly disabled families upon January 1, 1992; or

(ii) 10 percent of the number of units assisted under this part in the eligible project.

(2) *Option to reserve greater number of units for non-elderly disabled families.* The owner, at the owner's option, and at any time, may reserve a greater number of units for non-elderly disabled families than that provided for in paragraph (c)(1) of this section. The option to provide a greater number of units to non-elderly disabled families will not obligate the owner to always provide that greater number to non-elderly disabled families. The number of units required to be provided to non-elderly disabled families at any time in an elderly project is that number determined under paragraph (c)(1) of this section.

(d) *Secondary preferences.* An owner of an elderly project also may elect to establish secondary preferences in accordance with the provisions of this paragraph (d) of this section.

(1) *Preference for near-elderly disabled families in units reserved for elderly families.* If the owner of an elderly project determines, in accordance with paragraph (f) of this section, that there are an insufficient number of elderly families who have applied for occupancy to fill all the vacant units in the elderly project reserved for elderly families (that is, all units except those reserved for the non-elderly disabled families as provided in paragraph (c) of this section), the owner may give preference for occupancy of such units to disabled families who are near-elderly families.

(2) *Preference for near-elderly disabled families in units reserved for non-elderly disabled families.* If the owner of an elderly project determines, in accordance with paragraph (f) of this section, that there are an insufficient number of non-elderly disabled families to fill all the vacant units in the elderly project reserved for non-elderly disabled families as provided in paragraph (c) of this section, the owner may give preference for occupancy of these units to disabled families who are near-elderly families.

(e) *Availability of units to families without regard to preference.* An owner shall make vacant units in an elderly project generally available to otherwise eligi-

ble families who apply for housing, without regard to the preferences and reservation of units provided in this section if either:

(1) The owner has adopted the secondary preferences and there are an insufficient number of families for whom elderly preference, reserve preference, and secondary preference has been given, to fill all the vacant units; or

(2) The owner has *not* adopted the secondary preferences and there are an insufficient number of families for whom elderly preference, and reserve preference has been given to fill all the vacant units.

(f) *Determination of insufficient number of applicants qualifying for preference.* To make a determination that there are an insufficient number of applicants who qualify for the preferences, including secondary preferences, provided by this section, the owner must:

(1) Conduct marketing in accordance with §886.321(a) to attract applicants qualifying for the preferences and reservation of units set forth in this section; and

(2) Make a good faith effort to lease to applicants who qualify for the preferences provided in this section, including taking all feasible actions to fill vacancies by renting to such families.

(g) *Prohibition of evictions.* An owner may not evict a tenant without good cause, or require that a tenant vacate a unit, in whole or in part because of any reservation or preference provided in this section, or because of any action taken by the Secretary pursuant to subtitle D (sections 651 through 661) of title VI of the Housing and Community Development Act of 1992 (42 U.S.C. 13611 through 13620).

§ 886.330 Work write-ups and cost estimates.

(a) *HUD preparation of work write-ups.* If needed, a work write-up, including plans and specifications, will be made by HUD specifying necessary rehabilitation.

(b) *HUD specifies deficiencies and corrective action.* The work write-up will specify deficiencies noted by HUD and

§ 886.331

24 CFR Ch. VIII (4-1-04 Edition)

describe the manner in which the deficiencies are to be corrected, including minimum acceptable levels of workmanship and materials.

(c) *HUD preparation of cost estimates.* HUD shall perform or cause to be performed a cost estimate to complete rehabilitation. The cost of any necessary relocation, as determined by HUD as being necessary to expedite the rehabilitation and the estimated cost to the owner of maintaining project rents at the Section 8 level, as required by HUD prior to execution of the Contract, plus other costs allowable by HUD will be included in the cost estimate. The work write-up and cost estimate shall become part of the disposition package and will be used in determining the sales price of the project.

§ 886.331 Agreement to enter into housing assistance payments contract.

(a) *Execution of agreement.* At the sales closing and prior to the Owner's commencement of any rehabilitation under this subpart, HUD will enter into an Agreement with the Owner which contains the following:

(1) A statement that the Owner agrees to rehabilitate the project unit(s) to make the unit(s) decent, safe, and sanitary in accordance with the work write-up, cost estimates, and this subpart.

(2) A date by which rehabilitation will have commenced and a deadline date by which the rehabilitated project unit(s) will be completed and ready for occupancy. The Agreement may provide for staged rehabilitation, occupancy, and payments under the contract.

(3) The Contract Rent which will be paid to the Owner once rehabilitation is completed, the Contract is executed, and the unit(s) is/are occupied by an eligible family.

(4) A date for final inspection of the unit(s) by HUD and the owner shall be specified. This date shall be as soon as possible after the deadline date specified pursuant to paragraph (a)(2) of this section.

(5) The term of the contract.

(b) *Agreement part of sales contract.* The Agreement will be prepared by HUD and incorporated into the Contract of Sale and Purchase. The Agreement shall include all required information in paragraph (a) of this section and a statement specifying the Owner's responsibility for making relocation payments to Families temporarily displaced.

§ 886.332 Rehabilitation period.

(a) *Immediate start of rehabilitation after sales closing.* After the execution of the Agreement and the sales closing, the owner shall immediately proceed with the rehabilitation work as provided in the Agreement. In the event the work is not immediately commenced, diligently continued, and/or completed by the deadline date stated on the Agreement, HUD will have the right, upon written notification to the owner, to rescind the Agreement and the sale, or take other appropriate action.

(b) *Extensions.* Although extensions of time may be granted by HUD upon a written request from the owner stating the grounds for the extension, no increases in Contract Rents shall be granted for delays.

(c) *Changes.* (1) The Owner must submit to HUD for approval any changes from the work specified in the Agreement which would materially reduce or alter the Owner's obligations or the quality or amenities of the project. HUD may condition its approval of such changes on a reduction of the Contract Rents. If changes are made without prior HUD approval, HUD will have the right to take action consistent with the purpose of this subpart, including action intended to preclude the owner from benefiting from a change in the work specified without HUD approval. HUD action shall include but is not limited to reducing the Contract Rents, requiring the owner to remedy the deficiency, or rescission of the Contract of Sale with reimbursement to the owner for the HUD determined reasonable cost of work items completed by the Owner and acceptable to HUD.
