

for the period from October 1, 1979, to May 31, 1991, if available.

(2) Owners whose HAP contract requires a request to be made for annual rent adjustments must certify that a request was not made because of an anticipated reduction in the Contract Rents as a result of a comparability study. The certification must contain the year or years upon which the request for payment is based and a statement of the basis for the belief that rents would have been reduced.

(3) Retroactive payments will be made to owners over a three-year period as funds are appropriated for that purpose. When funds are available for payment, HUD will publish a FEDERAL REGISTER notice containing procedures for claiming payments.

(c) *Request for one-time contract rent determination.* When making a request for payment, eligible owners may also request a one-time contract rent determination, as described in § 888.320. Eligible owners may request a one-time contract rent determination even if they choose not to request retroactive payments, provided they are eligible for retroactive payments.

(d) *Transfer of ownership since October 1, 1979.* Eligible owners who request retroactive payments must certify that they are entitled to the entire amount of the payment. Any owner who is unable to certify must present documentation of an agreement between the current and former owners of the proportionate share of the payment for which each is eligible.

§ 888.315 Restrictions on retroactive payments.

(a) *Restrictions on distribution of surplus cash.* Retroactive payments for HUD-insured projects and other projects subject to limitations on the distribution of surplus cash will be deposited, in the manner of Housing Assistance Payments, into the appropriate project account. The payments will be subject to HUD rules and procedures (or rules and procedures of other agencies, as appropriate), described in the applicable regulations and the HAP contracts, for distribution of surplus cash to project owners.

(b) *Replacement reserve.* Projects required by HUD regulations to maintain a reserve for replacement account and to adjust the annual payment to the account each year by the amount of the annual rent adjustment must deposit into the account the proportionate share of any retroactive payment received, in accordance with HUD regulations and the HAP contract.

(c) *Physical condition of HUD-insured or State-financed projects.* If the most recent physical inspection report of a HUD-insured project, completed by the mortgagee, or by HUD or the Contract Administrator if a mortgagee inspection is not present, shows significant deficiencies that have not been addressed to the satisfaction of HUD by the date the retroactive payment is deposited into the project account, the payment will not be made available for surplus cash distribution until the deficiencies are resolved or a plan for their resolution has been approved by HUD.
