§ 960.403 Applicability.

(a) This subpart applies to all dwelling units in mixed population projects (as defined in § 960.405), or portions of mixed population projects, assisted under the U.S. Housing Act of 1937. These projects formerly were known as elderly projects.

(b) This subpart does not apply to section 23 and section 10(c) leased housing projects or the section 23 Housing Assistance Payments Program where the owners enter into leases directly with the tenants, or to the Section 8 Housing Assistance Payments Program, the Low-Rent Housing Homeownership Opportunities Program (Turnkey III), the Mutual Help Homeownership Opportunities Program, or to Indian Housing Authorities. (For applicability to Indian Housing Authorities, see part 905 of this chapter.) Additionally, this subpart is not applicable to projects designated for elderly families or designated for disabled families in accordance with 24 CFR part 945.

§ 960.407 Selection preference for mixed population developments.

(a) The PHA must give preference to elderly families and disabled families equally in determining priority for admission to mixed population developments. The PHA may not establish a limit on the number of elderly families or disabled families who may be accepted for occupancy in a mixed population development.

(b) In selecting elderly families and disabled families to occupy units in mixed population developments, the PHA must first offer units that have special accessibility features for persons with disabilities to families who include persons with disabilities who require the accessibility features of such units (see §§ 8.27 and 100.202 of this title).
