

this part. Subpart B of this part sets forth the requirements and procedures for the Comprehensive Improvement Assistance Program (CIAP) for PHAs that own or operate fewer than 250 public housing units. Subpart C of this part sets forth the requirements and procedures for the Comprehensive Grant Program (CGP) for PHAs that own or operate 250 or more units. A PHA that qualifies for participation in the CGP is not eligible to participate in the CIAP. A PHA that has already qualified to participate in the CGP may elect to continue to participate in the CGP so long as it owns or operates at least 200 units.

(2) This part applies to PHA-owned low-income public housing developments (including developments managed by a resident management corporation pursuant to a contract with the PHA); conveyed Lanham Act and Public Works Administration (PWA) developments; and to Section 23 Leased Housing Bond-Financed developments. Rental developments which are planned for conversion to homeownership under sections 5(h), 21, or 301 of the Act, but which have not yet been sold by a PHA, continue to qualify for assistance under this part. This part does not apply to developments under the Section 23 Leased Housing Non-Bond Financed program, the Section 10(c) Leased program, or the Section 23 or Section 8 Housing Assistance Payments programs.

(3) A section 23 Leased Housing Bond-Financed development is eligible for modernization only if HUD determines that the development has met the following conditions:

- (i) The development was financed by the issuance of bonds;
- (ii) Clear title to the development will be conveyed to or vested in the PHA at the end of the section 23 lease term;
- (iii) There are no legal obstacles affecting the PHA's use of the property as public housing during the 20-year period of the modernization;
- (iv) After completion of the modernization, the development will have a remaining useful life of at least 20 years and it is in the financial interest of the Federal Government to improve the development; and

(v) The development is covered by a cooperation agreement between the PHA and local governing body during the 20-year period of the modernization.

(4) A section 23 Leased Housing Bond-Financed development which has been conveyed to the PHA after the bonds have been retired is similarly eligible for modernization if the conditions specified under paragraph (b)(3) of this section have been satisfied.

(5) A development/building/unit which is assisted under section 5(j)(2) of the Act (Major Reconstruction of Obsolete Projects) (MROP) is eligible for section 14 funding (CIAP or CGP) where it received MROP funding after FFY 1988 and has reached Date of Full Availability (DOFA) or where it received MROP funding during FFYs 1986-1988 and all MROP funds have been expended.

(c) *Transition.* Any amount that HUD has approved for a PHA must be used for the purposes for which the funding was provided, or:

(1) For a CGP PHA, for purposes consistent with an approved Annual Statement or Five-Year Action Plan submitted by the PHA, as the PHA determines to be appropriate; or

(2) For a CIAP PHA, in accordance with a revised CIAP budget.

(d) *Approved information collections.* The following sections of this subpart have been approved by the Office of Management and Budget in accordance with the Paperwork Reduction Act of 1995 and assigned OMB approval number 2577-0044: §§ 968.135, 968.145, 968.210, 968.215, 968.225, and 968.230. The following sections of this subpart have been similarly approved and assigned approval number 2577.0157: §§ 968.310, 968.315, 968.325, and 968.330.

§ 968.102 Special requirements for Turnkey III developments.

(a) *Modernization Costs.* Modernization work on a Turnkey III unit shall not increase the purchase price or amortization period of the home.

(b) *Eligibility of paid-off and conveyed units for assistance.*—(1) *Paid-off units.* A Turnkey III unit that is paid off but

has not been conveyed at the time the CIAP application or CGP Annual Submission is submitted, is eligible for any physical improvement under § 968.112(d).

(2) *Conveyed units.* Where modernization work has been approved before conveyance, the PHA may complete the work even if title to the unit is subsequently conveyed before the work is completed. However, once conveyed, the unit is not eligible for additional or future assistance. A PHA shall not use funds provided under this part for the purpose of modernizing units if the modernization work was not approved before conveyance of title.

(c) *Other.* The homebuyer family must be in compliance with its financial obligations under its homebuyer agreement in order to be eligible for non-emergency physical improvements, with the exception of work necessary to meet statutory and regulatory requirements, (e.g., accessibility for persons with disabilities and lead-based paint activities) and the correction of development deficiencies. Notwithstanding the above requirement, a PHA may, with prior HUD approval, complete non-emergency physical improvements on any homeownership unit where the PHA demonstrates that, due to economies of scale or geographic constraints, substantial cost savings may be realized by completing all necessary work in a development at one time.

§ 968.103 Allocation of funds under section 14.

(a) *General.* This section describes the process for allocating modernization funds to the aggregate of PHAs and IHAs participating in the CIAP and to individual PHAs and IHAs participating in the CGP.

(b) *Set-aside for emergencies and disasters.* For each FFY, HUD shall reserve from amounts approved in the appropriation act for grants under this part and part 950 of this title, an amount not to exceed \$75 million (which shall include unused reserve amounts carried over from previous FFYs), which shall be made available to PHAs and IHAs

for modernization needs resulting from natural and other disasters, and from emergencies. HUD shall replenish this reserve at the beginning of each FFY. Any unused funds from previous years may remain in the reserve until allocated. The requirements governing the reserve for disasters and emergencies and the procedures by which a PHA may request such funds, are set forth in § 968.104.

(c) *Set-aside for credits for mod troubled PHAs under subpart C of this part.* After deducting an amount for the reserve for natural and other disasters and for emergencies under paragraph (b) of this section, HUD shall set aside from the funds remaining no more than five percent for the purpose of providing credits to PHAs that were formerly designated as mod troubled agencies under the Public Housing Management Assessment Program (PHMAP) (see 24 CFR part 901). The purpose of this set-aside is to compensate these PHAs for amounts previously withheld by HUD because of a PHA's prior designation as a mod troubled agency. Since part 901 of this chapter does not apply to IHAs, they are not classified as "mod troubled" and they do not participate in the set-aside credits established under paragraph (c) of this section.

(d) *Formula allocation based on relative needs.* After determining the amounts to be reserved under paragraphs (b) and (c) of this section, HUD shall allocate the amount remaining pursuant to the formula set forth in paragraphs (e) and (f) of this section, which is designed to measure the relative backlog and accrual needs of PHAs and IHAs.¹

(e) *Allocation for backlog needs.* HUD shall allocate half of the formula amount under paragraph (d) of this section based on the relative backlog needs of PHAs and IHAs, as follows:

(1) *Determination of backlog need:*

(i) *Statistically reliable data are available.* Where HUD determines that the
