

(ii) Any person who is an alien not lawfully present in the United States is ineligible for relocation payments or assistance under the URA, unless such ineligibility would result in exceptional and extremely unusual hardship to a qualifying spouse, parent, or child, as provided in the URA regulations at 49 CFR 24.208.

(iii) The family has a right to appeal the PHA's determination as to the family's application for relocation assistance for which the family may be eligible under this subpart and URA.

(iv) Families residing in the development will be provided with the URA Notice of Relocation Eligibility or Notice of Non-displacement (as applicable) as of the date HUD approves the conversion plan (for purposes of this subpart, the date of HUD's approval of the conversion plan shall be the "date of initiation of negotiations" as that term is used in URA and the implementing regulations at 49 CFR part 24).

(v) Any family that moves into the development after submission of the conversion plan to HUD will also be eligible for relocation assistance, unless the PHA issues a written move-in notice to the family prior to leasing and occupancy of the unit advising the family of the development's possible conversion, the impact of the conversion on the family, and that the family will not be eligible for relocation assistance.

§972.233 Timing of submission of conversion plans to HUD.

A PHA that wishes to convert a public housing project to tenant-based assistance must submit a conversion plan to HUD. A PHA must prepare a conversion plan, in accordance with §972.230, and submit it to HUD, as part of the next PHA Annual Plan within one year after submitting the full conversion assessment, or as a significant amendment to that Annual Plan. The PHA may also submit the conversion plan in the same Annual Plan as the conversion assessment.

§972.236 HUD process for approving a conversion plan.

Although a PHA will submit its conversion plan to HUD as part of the PHA Annual Plan, the conversion plan will

be treated separately for purposes of HUD approval. A PHA needs a separate written approval from HUD in order to proceed with conversion. HUD anticipates that its review of a conversion plan will ordinarily occur within 90 days following submission of a complete plan by the PHA. A longer process may be required where HUD's initial review of the plan raises questions that require further discussion with the PHA. In any event, HUD will provide all PHAs with a preliminary response within 90 days following submission of a conversion plan. A lack of a HUD response within this time frame will constitute automatic HUD approval of the conversion plan.

§972.239 HUD actions with respect to a conversion plan.

(a) When a PHA submits a conversion plan to HUD, HUD will review it to determine whether:

(1) The conversion plan is complete and includes all of the information required under §972.230; and

(2) The conversion plan is consistent with the conversion assessment the PHA submitted.

(b) HUD will disapprove a conversion plan only if HUD determines that:

(1) The conversion plan is plainly inconsistent with the conversion assessment;

(2) There is reliable information and data available to the Secretary that contradicts the conversion assessment; or

(3) The conversion plan is incomplete or otherwise fails to meet the requirements under §972.230.
