

schedule submitted by the PHA and approved by HUD. The schedule may provide for several payments per month. If a PHA has an unanticipated, immediate need for disbursement of approved operating subsidy, it may make an informal request to HUD to revise the approved schedule. (Requests by telephone are acceptable.)

(b) *Payments procedure.* In the event that the amount of operating subsidy has not been determined by HUD as of the beginning of a PHA's budget year under this part, annual or monthly or quarterly payments of operating subsidy shall be made, as provided in paragraph (a) of this section, based upon the amount of the PHA's operating subsidy for the previous budget year or such other amount as HUD may determine to be appropriate.

(c) *Availability of funds.* In the event that insufficient funds are available to make payments approvable under the Operating Fund Formula for operating subsidy payable by HUD, HUD shall have complete discretion to revise, on a pro rata basis or other basis established by HUD, the amounts of operating subsidy to be paid to PHAs.

**§ 990.113 Payments of operating subsidy conditioned upon reexamination of income of families in occupancy.**

(a) *Policy.* The income of each family must be reexamined at least annually. PHAs must be in compliance with this reexamination requirement to be eligible to receive full operating subsidy payments.

(b) *PHAs in compliance with requirements.* Each submission of the original calculation of operating subsidy eligibility for a fiscal year shall be accompanied by a certification by the PHA that it is in compliance with the annual income reexamination requirements and that rents have been or will be adjusted in accordance with current HUD requirements.

(c) *PHAs not in compliance with requirements.* Any PHA not in compliance with annual income reexamination requirement at the time of the submission of the calculation of operating subsidy eligibility shall furnish to the HUD Field Office a copy of the procedure it is using to attain compliance

and a statement of the number of families that have undergone reexamination during the twelve months preceding the date of the Operating Budget submission, or the revision thereof. If, on the basis of such submission, or any other information, the Field Office Director determines that the PHA is not substantially in compliance with the annual income reexamination requirement, he or she shall withhold payments to which the PHA might otherwise be entitled under this part, equal to his or her estimate of the loss of rental income to the PHA resulting from its failure to comply with those requirements.

**§ 990.114 Phase-down of subsidy for units approved for demolition.**

(a) *General.* Units that have both been approved by HUD for demolition and been vacated in FY 1995 and after will be excluded from a PHA's determination of Unit Months Available when vacated, but they will remain eligible for subsidy in the following way:

(1) For the first twelve months beginning with the month that a unit meets both conditions of being approved for demolition and vacant, the full AEL will be allowed for the unit.

(2) During the second twelve-month period after meeting both conditions, 66% of the AEL will be allowed for the unit.

(3) During the third twelve-month period after meeting both conditions, 33% of the AEL will be allowed for the unit.

(b) *Special case for long-term vacant units.* Units that have been vacant for longer than 12 months when they are approved for demolition are eligible for funding equal to 20% of the AEL for a 12-month period.

(c) *Treatment of units replaced with Section 8 Certificates or Vouchers.* Units that are replaced with Section 8 Certificates or Vouchers are not subject to the provisions of this section.

(d) *Treatment of units replaced with public housing units.* When replacement conventional public housing units become eligible for operating subsidy, the demolished unit is no longer eligible for any funding under this section.

(e) *Determination of what units are "replaced."* For purposes of this section, replacements are applied first
