

through the following June 30. Thereafter, the tax will be computed for the entire year (July 1 through June 30).

(b) *Each place of business taxable.* Proprietors of a bonded wine premises or a taxpaid wine bottling house incur special (occupational) tax at each place of business in which an occupation subject to special (occupational) tax is conducted. A place of business means the entire office, plant or area of the business in any one location under the same proprietorship. Passageways, streets, highways, rail crossings, waterways, or partitions dividing the premises are not sufficient separation to require additional special (occupational) tax, if the divisions of the premises are otherwise contiguous. A proprietor of a bonded wine premises or a taxpaid wine bottling house does not incur additional special (occupational) tax liability for sales of wine made at a location other than on wine premises described in the application, ATF F 5120.25, if the location where the sales are made is contiguous to the bonded wine premises or the taxpaid wine bottling house in the manner described in this paragraph. § 24.51 Rates of special (occupational) tax.

(a) *General.* Title 26 U.S.C. 5081(a) (2), (3), and (4) impose a special (occupational) tax of \$1,000 per year on every proprietor of a bonded wine premises or a taxpaid wine bottling house.

(b) *Reduced rate for small proprietors.* Title 26 U.S.C. 5081(b) provides for a reduced rate of \$500 per year with respect to any proprietor of a bonded wine premises or a taxpaid wine bottling house whose gross receipts (for the most recent taxable year ending before the first day of the taxable period to which the special (occupational) tax imposed by § 24.50 relates) are less than \$500,000. The "taxable year" to be used for determining gross receipts is the taxpayer's income tax year. All gross receipts of the taxpayer will be included, not just the gross receipts of the business subject to special (occupational) tax. Proprietors of new busi-

nesses that have not yet begun a taxable year, as well as proprietors of existing businesses that have not yet ended a taxable year, who commence a new activity subject to special (occupational) tax, qualify for the reduced special (occupational) tax rate, unless the business is a member of a "controlled group"; in that case, the rules of paragraph (c) of this section apply.

(c) *Controlled group.* All persons treated as one taxpayer under 26 U.S.C. 5061(e)(3) shall be treated as one taxpayer for the purpose of determining gross receipts under paragraph (b) of this section. "Controlled group" means a controlled group of corporations, as defined in 26 U.S.C. 1563 and implementing regulations in 26 CFR 1.1563-1 through 1.1563-4, except that the words "at least 80 percent" is replaced by the words "more than 50 percent" in each place they appear in subsection (a) of 26 U.S.C. 1563, as well as in the implementing regulations. Also, the rules for a "controlled group of corporations" apply in similar fashion to groups which include partnerships and/or sole proprietorships. If one entity maintains more than 50% control over a group consisting of corporations and one, or more, partnerships and/or sole proprietorships, all of the members of the controlled group are one taxpayer for the purpose of this section.

(d) *Short taxable year.* Gross receipts for any taxable year of less than 12 months will be annualized by multiplying the gross receipts for the short period by 12 and dividing the result by the number of months in the short period, as required by 26 U.S.C. 448(c)(3).

(e) *Returns and allowances.* Gross receipts for any taxable year will be reduced by returns and allowances made during such year under 26 U.S.C. 448(c)(3). (26 U.S.C. 448, 5061, 5081)
