

§ 27.120

I declare under the penalties of perjury that this approval has been examined by me and, to best of my knowledge and belief, the standard effective tax rate established for this product is applicable to all like products contained in this shipment.

(d) A standard effective tax rate may not be employed until approved by the appropriate ATF officer. The importer shall file or furnish a copy of the standard effective tax rate approval in the manner prescribed in § 27.76(d). The use of a standard effective tax rate shall not relieve an importer from the payment of any tax found to be due. The appropriate ATF officer may at any time require an importer to immediately discontinue the use of a standard effective tax rate.
