§ 27.221 Alternate methods or procedures.

(a) *Application*. An importer who desires to use an alternate method or procedure in lieu of a method or procedure prescribed by this part must file an application, in triplicate, with the appropriate ATF officer. Each application must:

(b) *Approval*. When an application for use of an alternate method or procedure is received, the appropriate ATF officer must determine whether approval thereof would unduly hinder the effective administration of this part or would result in jeopardy to the revenue. The appropriate ATF officer may approve the alternate method or procedure if such officer finds that:

(1) Good cause has been shown for the use of the alternate method or procedure;

(2) The alternate method or procedure is within the purpose of, and consistent with the effect intended by, the specifically prescribed method or procedure, and affords equivalent security to the revenue; and

(3) The alternate method or procedure will not be contrary to any provision of law, and will not result in an increase in cost to the Government or hinder the effective administration of this part.

No alternate method or procedure shall be used until approval has been received from the appropriate ATF officer. Authorization for the alternate method or procedure may be withdrawn whenever in the judgment of the appropriate ATF officer, the revenue is jeopardized or the effective administration of this part is hindered by the continuation of such authorization.
