The Commission will also notify the candidate that it will deduct a percentage of the amount to which the candidate is entitled based on the unofficial vote results when the Commission certifies an amount for payment to the Secretary. This deduction will be based on the average percentage differential between the unofficial and official vote results for all candidates who received public funds in the preceding Presidential general election.

(4) The candidate may submit within 15 days after the Commission's initial determination written legal or factual materials to demonstrate that a re-determination is appropriate. Such materials may be submitted by counsel if the candidate so desires.

(5) The Commission will consider any written legal or factual materials timely submitted by the candidate in making its final determination. A final determination of certification by the Commission will be accompanied by a written statement of reasons for the Commission's action. This statement will explain the reasons underlying the Commission's determination and will summarize the results of any investigation on which the determination is based.

(d) All certifications made by the Commission pursuant to this section shall be final and conclusive, except to the extent that they are subject to examination and audit by the Commission under 11 CFR part 9007 and judicial review under 26 U.S.C. 9011.
