(1) Issuing carriers shall be responsible for all funds from time of collection to remittance.

(2) The appropriate charge is the PFC in effect at the time the ticket is issued.

(3) Issuing carriers and their agents shall collect the PFC's based upon the itinerary at the time of issuance. Any changes in itinerary that are initiated by a passenger that require an adjustment to the amount paid by the passenger are subject to collection or refund of the PFC as appropriate.

For each round trip, a PFC shall be collected only for enplanements at the first two enplaning airports and the last two enplaning airports where PFC's are imposed.

§ 158.47 Collection of PFC's on tickets issued outside the U.S.

(a) With respect to tickets issued outside the U.S., an air carrier or foreign air carrier may follow the requirements of either § 158.45 of this part or this section.

(b) Notwithstanding any other provisions of this part, no foreign airline is required to collect a PFC on air travel tickets issued on its own ticket stock unless it serves a point or points in the U.S.

(c) If an air carrier or foreign air carrier elects not to comply with § 158.45 for tickets issued outside the U.S.—

(1) The carrier is required to collect PFC's on such tickets only for the public agency controlling the last airport at which the passenger is enplaned prior to departure from the U.S.

(2) The carrier may collect the PFC either at the time the ticket is issued or at the time the passenger is last enplaned prior to departure from the U.S. The carrier may vary the method of collection among its flights.

(3) The carrier shall provide a written record to the passenger that a PFC has been collected. Such a record shall appear on or with the air travel ticket and shall include the same information as required by § 158.45(b), but need not be preprinted on the ticket stock.

(4) The carrier shall collect the PFC based upon the itinerary at the time of issuance. Any changes in itinerary that are initiated by a passenger and that require an adjustment of the amount paid by the passenger are subject to collection or refund of the PFC as appropriate.

(f) Collected PFC's shall be distributed as noted on the written record provided to the passenger.

(g) Collecting carriers shall be responsible for all funds from time of collection to remittance.

(h) Collecting carriers and their agents shall stop collecting the PFC on the charge expiration date stated in a notice from the public agency, or as required by the Administrator.

§ 158.49 Handling of PFC's.

(a) Collecting carriers shall establish and maintain a financial management system to account for PFC's in accordance with the Department of Transportation's Uniform System of Accounts and Reports (14 CFR part 241). For carriers not subject to 14 CFR part 241, such carriers shall establish and maintain an accounts payable system to handle PFC revenue with subaccounts for each public agency to which such carrier remits PFC revenue.

(b) PFC revenue must be accounted for separately by collecting carriers, but the revenue may be commingled with the carrier's other sources of revenue. The PFC revenues that are held by an air carrier or an agent of the carrier after collection of a PFC constitute a trust fund that is held by the air carrier or agent for the beneficial interest of the public agency imposing the PFC. Such carrier or agent holds neither legal nor equitable interest in the PFC revenues except for any handling fee or retention of interest collected on unremitted proceeds as authorized in § 158.53.

(c) Each collecting carrier shall be required to disclose the existence and
