

the FCC application or equivalent engineering data as part of the PTFP application. When such a project is funded, however, grantees will be required to submit evidence of FCC registration of the C-band downlink prior to the release of Federal funds.

(d) Any FCC authorization required for the project must be in the name of the applicant for the PTFP grant.

(e) If the project is to be associated with an existing station, the FCC operating authority for that station must be current and valid.

(f) For any project requiring new authorization(s) from the FCC, the applicant must file a copy of each FCC application and any amendments with the Agency.

(g) If the applicant fails to file the required FCC application(s) by the closing date, or if the FCC returns, dismisses, or denies an application required for the project or any part thereof, or for the operation of the station with which the project is associated, the Agency may reject and return the application.

(h) No grant will be awarded until confirmation has been received from the FCC that any necessary authorization will be issued.

§ 2301.13 Public comments.

(a) After the closing date, the Agency will publish a list of all applications received.

(b) The applicant shall make a copy of its application available at its offices for public inspection during normal business hours.

(c) A copy of the application will be available in the PTFP offices for public inspection during normal business hours.

(d) Any interested party may file comments with the Agency supporting or opposing an application and setting forth the grounds for support or opposition. Any opposing comments must contain a certification that a copy of the comments has been delivered to the applicant. Comments must be sent to the address listed in § 2301.8(a).

(e) The Agency shall incorporate all comments from the public and any replies from the applicant in the applicant's official file for consideration

during the evaluation of the application.

§ 2301.14 Supplemental application information.

(a) The Agency may request from the applicant any additional information that the Agency deems necessary to clarify the application. Applicants must provide to the Agency additional information that the Agency requests within fifteen (15) days of the date of the Agency's notice. Applicants must submit a copy of the requested information for each copy of the application submitted by the closing date.

(b) Applicants must immediately provide to the Agency information received after the closing date that materially affects the application, including:

(1) State Single Point of Contact and State Telecommunications Agency comments on applications;

(2) FCC file numbers and changes in the status of FCC applications necessary for the proposed project;

(3) Changes in the status of proposed local matching funds, including notification of the passage (including reduction or rejection) of a proposed state appropriation or receipt (or denial) of a proposed substantial matching gift;

(4) Changes that affect the applicant's eligibility under § 2301.3;

(5) Changes in the status of proposed production, participation, or distribution agreements (if relevant to the proposed project);

(6) Changes in lease or site rights agreements; and

(7) Complete failure of major items of equipment for which replacement costs have been requested or changes in the status of the need for the equipment requested.

(c) Applicants must place copies of any additional information submitted to the Agency in the copy of the application made available for public inspection pursuant to § 2301.13.

(d) Neither the Department nor the Agency will discuss the merits of an application when it is under review.
