§ 711.4 Declaration and reporting of activities occurring prior to December 30, 1999.

(a) Facilities subject to the CWC are required to prepare and submit declarations and reports, to the extent that the necessary information and records are available, on activities occurring prior to December 30, 1999. Willful failure or refusal to submit such declarations and reports constitutes a violation under part 719 of this subchapter. Declarations and reports are not required if records and information necessary to prepare them are not available for one or more of the following reasons:

(1) The necessary information was not collected, or the necessary records were not kept, because no regulatory requirement to do so was in effect prior to December 30, 1999 and at the time of the activity;

(2) The information, though collected at the time of the activity, was discarded prior to December 30, 1999 in accordance with normal business practices; or

(3) The current custodian of the records or information is no longer affiliated with a facility subject to the CWC due to changes in ownership or control of that facility which took place prior to December 30, 1999.

(b) If partial information is available, facilities are required to provide whatever information is available, on the appropriate forms, with a notation on Form A indicating that complete information is not available.

(c) This § 711.4 applies only to initial declarations and reports, and to annual declarations and reports for calendar years 1997, 1998, and 1999.

§ 711.5 Numerical precision of submitted data.

Numerical information submitted in declarations and reports is to be provided per applicable rounding rules in each part (i.e., parts 712 through 715 of this subchapter) with a precision equal

to that which can be reasonably provided using existing documentation, equipment, and measurement techniques.
