### § 754.5 Horses for export by sea.

(a) *License requirement.* As indicated by the letters “SS” in the “Reason for Control” paragraph of the “License Requirements” section of ECCN 0A980 on the CCL (Supplement No. 1 to part 774 of the EAR) a license is required for the export of horses exported by sea to all destinations, including Canada.

(b) *License policy.* (1) License applications for the export of horses by sea for the purposes of slaughter will be denied.

(2) Other license applications will be approved if BIS, in consultation with the Department of Agriculture, determines that the horses are not intended for slaughter. You must provide a statement in the additional information section of the Form BIS-748P, certifying that no horse under consignment is being exported for the purpose of slaughter.

(3) Each application for export may cover only one consignment of horses.

### § 754.6 Registration of U.S. agricultural commodities for exemption from short supply limitations on export.

(a) *Scope.* Under the provisions of section 7(g) of the Export Administration Act of 1979 (EAA), agricultural commodities of U.S. origin purchased by or for use in a foreign country and stored in the United States for export at a later date may be registered with BIS for exemption from any quantitative limitations on export that may subsequently be imposed under section 7 of the EAA for reasons of short supply.

(b) *Applications for registration.* Applications to register agricultural commodities must be submitted by a person or firm subject to the jurisdiction of the United States who is acting as a duly authorized agent for the foreign purchaser.

(c) *Mailing address.* Submit applications pursuant to the provisions of section 7(g) of the EAA to: Bureau of Industry and Security, U.S. Department
