(B) The date on which each applicant involved in the conflict, or predecessor in interest or component organization thereof, commenced activities at sea in the application area;

(v) In making his determination, the Administrator may award the entire area in conflict to one applicant involved in the conflict, or he may apportion the area among any or all of the applicants involved in the conflict. If, after applying the principles of equity, the Administrator determines that the area in conflict should be apportioned, the Administrator shall (to the maximum extent practicable consistent with the Administrator's application of the principles of equity) apportion the area in a manner designed to satisfy the plan of work set forth in the application of each applicant which is awarded part of the area.

(vi) Each applicant involved in the conflict must file an amendment to its application if necessary to implement

§970.303

the determination made by the Administrator.

(k) *Unresolved international conflicts.*

(1) If, by November 17, 1982, all applicants involved in an original or new international conflict have not resolved that conflict, or agreed in writing to submit the conflict to a specified binding conflict resolution procedure, the applicants shall proceed in accordance with the conflict resolution procedures agreed to between the United States and its reciprocating states pursuant to section 118 of the Act.
