

§ 305.12

16 CFR Ch. I (1-1-04 Edition)

marked at a location determined by the manufacturer with the designation "ASME A112.19.2M" to signify compliance with the applicable standard. This mark need not be permanent, but shall be visible after installation.

(iv) The package, and any labeling attached to the package, for each water closet and urinal shall disclose the flow rate, expressed in gallons per flush (gpf), and the water use value shall be the actual water use or the maximum water use specified by the standards established in subsection (k) of section 325 of the Act, 42 U.S.C. 6295(k). Each flow rate disclosure shall also be given in liters per flush (Lpf).

(v) With respect to any gravity tank-type white 2-piece toilet offered for sale or sold before January 1, 1997, which has a water use greater than 1.6 gallons per flush (gpf), any printed matter distributed or displayed in connection with such product (including packaging and point-of-sale material, catalog material, and print advertising) shall include, in a conspicuous manner, the words "For Commercial Use Only."

(3) *Annual Operating Cost Claims for Covered Plumbing Products.* Until such time as the Commission has prescribed a format and manner of display for labels conveying estimated annual operating costs of covered showerheads, faucets, water closets, and urinals or ranges of estimated annual operating costs for the types or classes of such plumbing products, the Act prohibits manufacturers from making such representations on the labels of such covered products. 42 U.S.C. 6294(c)(8). If, before the Commission has prescribed such a format and manner of display for labels of such products, a manufacturer elects to provide for any such product a label conveying such a claim, it shall submit the proposed claim to the Commission so that a format and manner of display for a label may be prescribed.

§ 305.12 Additional information relating to energy consumption.

Additional information relating to energy consumption which must be included on labels, separately attached to the product, or shipped with the product will be published as a separate section 3 of the appendices accompanying this part. No additional information will be required without public notice and an opportunity for written comments.

§ 305.13 Promotional material displayed or distributed at point of sale.

(a)(1) Any manufacturer, distributor, retailer or private labeler who prepares printed material for display or distribution at point of sale concerning a covered product (except fluorescent lamp ballasts, general service fluorescent lamps, medium base compact fluorescent lamps, or general service incandescent lamps including incandescent reflector lamps, showerheads, faucets, water closets or urinals) shall

clearly and conspicuously include in such printed material the following required disclosure:

Before purchasing this appliance, read important information about its estimated annual energy consumption or energy efficiency rating that is available from your retailer.

(2) Any manufacturer, distributor, retailer or private labeler who prepares printed material for display or distribution at point of sale concerning a covered product that is a fluorescent lamp ballast to which standards are applicable under section 325 of the Act, shall disclose conspicuously in such printed material, in each description of such fluorescent lamp ballast, an encircled capital letter "E".

(3) Any manufacturer, distributor, retailer, or private labeler who prepares printed material for display or distribution at point of sale concerning a covered product that is a general service fluorescent lamp, medium base compact fluorescent lamp, or general service incandescent lamp (including an incandescent reflector lamp), and who makes any representation in such promotional material regarding the cost of operation of such lamp shall clearly and conspicuously disclose in close proximity to such representation the assumptions upon which it is based, including, e.g., purchase price, unit cost of electricity, hours of use, and patterns of use.

(4) Any manufacturer, distributor, retailer, or private labeler who prepares printed material for display or distribution at point-of-sale concerning a covered product that is a showerhead, faucet, water closet, or urinal shall clearly and conspicuously include in such printed material the product's water use, expressed in gallons and liters per minute (gpm and L/min) or per cycle (gpc and L/cycle) or gallons and liters per flush (gpf and Lpf) as specified in § 305.11(f).

(b) This section shall not apply to:

(1) Written warranties.

(2) Use and care manuals, installation instructions, or other printed material containing primarily post-purchase information for the purchaser.

(3) Printed material containing only the identification of a covered product, pricing information and/or non-energy

related representations concerning that product.

(4) Any printed material distributed prior to the effective date listed in § 305.4(e).

### § 305.14 Catalogs.

(a) Any manufacturer, distributor, retailer, or private labeler who advertises in a catalog a covered product (except fluorescent lamp ballasts, general service fluorescent lamps, medium base compact fluorescent lamps, general service incandescent lamps including incandescent reflector lamps, showerheads, faucets, water closets or urinals) shall include in such catalog, on each page that lists the covered product, the following information required to be disclosed on the label:

(1) The capacity of the model.

(2) The estimated annual energy consumption for refrigerators, refrigerator-freezers, freezers, clothes washers, dishwashers and water heaters.

(3) The energy efficiency rating for room air conditioners, central air conditioners, furnaces, and pool heaters.

(4) The range of estimated annual energy consumption or energy efficiency ratings, which shall be those that are current at the closing date for printing or the printing deadline of the catalog.

(b) Any manufacturer, distributor, retailer, or private labeler who advertises fluorescent lamp ballasts that are "covered products," as defined in § 305.2(o), and to which standards are applicable under section 325 of the Act, in a catalog, from which they may be purchased by cash, charge account or credit terms, shall disclose conspicuously in such catalog, in each description of such fluorescent lamp ballasts, a capital letter "E" printed within a circle.

(c)(1) Any manufacturer, distributor, retailer, or private labeler who advertises in a catalog a covered product that is a general service fluorescent lamp, medium base compact fluorescent lamp, or general service incandescent lamp (including an incandescent reflector lamp), shall disclose clearly and conspicuously in such catalog:
