

§ 1602.21

indicates a specific intention to be considered for admission to the apprenticeship program. A person who casually appears to make an informal inquiry about the program, or about apprenticeship in general, is not considered to be an applicant. The term “apprenticeship program” as used herein refers to programs described in the instructions accompanying Report EEO-2.

(c) In lieu of maintaining the chronological list referred to in §1602.20 (b), persons required to compile the list may maintain on file written applications for participation in the apprenticeship program, provided that the application form contains a notation of the date the form was received, the address of the applicant, and a notation of the sex, and the race, color, or national origin of the applicant as described above.

§ 1602.21 Preservation of records made or kept.

(a) Notwithstanding the provisions of section 1602.14, every person subject to §1602.20 (b) or (c) shall preserve the list of applicants or application forms, as the case may be, for a period of 2 years from the date the application was received, except that in those instances where an annual report is required by the Commission calling for statistics as to the sex, and the race, color, or national origin of apprentices, the person required to file the report shall preserve the list and forms for a period of 2 years or the period of a successful applicant’s apprenticeship, whichever is longer. Persons required to file Report EEO-2, or other reports calling for information about the operation of an apprenticeship program similar to that required on Report EEO-2, shall preserve any other record made solely for the purpose of completing such reports for a period of 1 year from the due date thereof.

(b) Other records: Except to the extent inconsistent with the law or regulation of any State or local fair employment practices agency, or of any other Federal or State agency involved in the enforcement of an antidiscrimination program in apprenticeship,

other records relating to apprenticeship made or kept by a person required to file Report EEO-2, including but not necessarily limited to requests for reasonable accommodation, test papers completed by applicants for apprenticeship and records of interviews with applicants, shall be kept for a period of 2 years from the date of the making of the record. Where a charge of discrimination has been filed, or an action brought by the Attorney General under title VII, or the ADA the respondent shall preserve all records relevant to the charge or action until final disposition of the charge or the action. The term “records relevant to the charge,” for example, would include applications, forms or test papers completed by an unsuccessful applicant and by all other candidates for the same position as that for which the charging party applied and was rejected. The date of “final disposition of the charge or the action” means the date of expiration of the statutory period within which a charging party may bring an action in a U.S. District Court or, where an action is brought either by a charging party or by the Attorney General, the date on which such litigation is terminated.
