

(6) Enforcement in situations when the State is unable to exercise its enforcement authority fully or effectively;

(7) Enforcement of occupational safety and health standards at all private sector establishments, including tribal and Indian-owned enterprises, on all Indian and non-Indian lands within the currently established boundaries of all Indian reservations, including the Warm Springs and Umatilla reservations, and on lands outside these reservations that are held in trust by the Federal government for these tribes. (Businesses owned by Indians or Indian tribes that conduct work activities outside the tribal reservation or trust lands are subject to the same jurisdiction as non-Indian owned businesses.);

(8) Enforcement of occupational safety and health standards at worksites located within Federal military reservations, except private contractors working on U.S. Army Corps of Engineers dam construction projects, including reconstruction of docks or other appurtenances;

(9) Investigations and inspections for the purpose of the evaluation of the plan under sections 18(e) and (f) of the Act (29 U.S.C. 667(e) and (f)); and

(10) Enforcement of occupational safety and health standards with regard to all Federal government employers and employees; and the U.S. Postal Service (USPS), including USPS employees, and contract employees and contractor-operated facilities engaged in USPS mail operations.

(b) The Regional Administrator for Occupational Safety and Health will make a prompt recommendation for resumption of exercise of Federal enforcement authority under section 18(e) of the Act (29 U.S.C. 667(e)) whenever, and to the degree, necessary to assure occupational safety and health protection to employees in the State of Oregon.

§ 1952.107 Changes to approved plans.

In accordance with part 1953 of this chapter, the following Oregon plan changes were approved by the Assistant Secretary:

(a) The State submitted a revised field operations manual patterned after the Federal field operations manual, including modifications, in effect February 11, 1985, which superseded the State's previously approved manual. The Assistant Secretary approved the manual on July 29, 1986.

(b) The State submitted an industrial hygiene technical manual patterned after the Federal manual, including modifications, in effect March 30, 1984. The Assistant Secretary approved the manual on July 29, 1986.

(c) The State submitted an inspection scheduling system which schedules inspections based on lists of employers with a high incidence of workers compensation claims, whose operations are within industries with high injury rates, or which have a high potential for health problems. The Assistant Secretary approved the supplement on July 29, 1986.

(d) The State submitted several changes to its administrative regulations concerning personal sampling, petition to modify abatement dates, penalties for repeat violations, and record-keeping exemptions. The Assistant Secretary approved these changes on July 29, 1986.
