

## Fed. Mine Safety and Health Review Commission

## § 2702.7

(e) For purposes of paragraphs (b) through (d) of this section, whenever it reasonably appears that a requester, or a group of requesters acting in concert, is attempting to break down a single request into a series of requests relating to the same subject matter for the purpose of evading the assessment of fees, such requests will be aggregated and fees assessed accordingly.

[54 FR 3022, Jan. 23, 1989, as amended at 62 FR 55336, Oct. 24, 1997]

### § 2702.6 Fee schedule.

(a) *Search fee.* The fee for searching for information and records shall be \$15 per hour for clerical time and \$30 per hour for professional time. Fees for searches of computerized records shall be the actual cost to the Commission but shall not exceed \$300 per hour. This fee includes machine time and that of the operator and clerical personnel. The fee for computer printouts shall be \$.40 per page. If search charges are likely to exceed \$25, the requester shall be notified of the estimated amount of fees, unless the requester has indicated in advance his willingness to pay fees as high as those anticipated. Time spent on unsuccessful searches shall be fully charged.

(b) *Review fee.* The review fee shall be charged for the initial examination by the Executive Director of documents located in response to a request in order to determine if they may be withheld from disclosure, and for the deletion of portions that are exempt from disclosure, but shall not be charged for review by the Chairman or the Commissioners. See § 2702.3. The review fee is \$45 per hour.

(c) *Duplicating fee.* The copy fee for each page of paper up to 8½"×14" shall be \$.15 per copy per page. Any private section services required will be assessed at the charge to the Commission. The fee for copying computer tapes or discs, photographs, and other nonstandard documents will be the actual direct cost incurred by the Commission. If duplication charges are likely to exceed \$25, the requester shall be notified of the estimated amount of fees, unless the requester has indicated

in advance his willingness to pay fees as high as those anticipated.

[54 FR 3022, Jan. 23, 1989, as amended at 62 FR 55336, Oct. 24, 1997]

### § 2702.7 No fees; waiver or reduction of fees.

(a) No fees shall be charged to any requester, including commercial use requesters, if the anticipated cost of processing and collecting the fee would be equal to or greater than the fee itself. Accordingly, the Commission has determined that fees of less than \$10 shall be waived.

(b) Documents shall be furnished without any charge, or at a charge reduced below the fees otherwise applicable, if disclosure of the information is determined to be in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.

(1) The following six factors will be employed in determining when such fees shall be waived or reduced:

(i) The subject of the request: Whether the subject of the requested records concerns "the operations or activities of the government";

(ii) The informative value of the information to be disclosed: Whether the disclosure is "likely to contribute" to an understanding of government operations or activities;

(iii) The contribution to an understanding of the subject by the general public likely to result from disclosure: Whether disclosure of the requested information will contribute to "public understanding";

(iv) The significance of contribution to public understanding: Whether the disclosure is likely to contribute "significantly" to public understanding of government operations or activities;

(v) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so

(vi) The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is "primarily
