

## §519.5

To the extent he/she deems appropriate, the authorized officer may provide an opportunity to other interested persons to present data, views, or argument on the application prior to granting or denying a certificate.

(d) Until April 30, 1976, if a certificate is issued, there shall be published in the FEDERAL REGISTER a general statement of the terms of such certificate together with a notice that, pursuant to §519.9, for 45 days following such publication any interested person may file a written request for reconsideration or review. Thereafter, applications and certificates will be available for examination in accordance with applicable regulations in Washington, DC, and in the appropriate Regional Office of the Wage and Hour Division (or the Denver, Colorado Area Office for Colorado, North Dakota, and South Dakota; the Salt Lake City, Utah Area Office for Montana, Utah, and Wyoming; and the Caribbean Office for the area it covers) for establishments in its area. A period of 60 days will be provided after certificate issuance during which any interested person may file a written request for reconsideration or review.

(e) If a certificate is denied, notice of such denial shall be sent to the employer, stating the reason or reasons for the denial. Such denial shall be without prejudice to the filing of any subsequent application.

### **§519.5 Conditions governing issuance of full-time student certificates.**

Certificates authorizing the employment of full-time students at subminimum wage rates shall not be issued unless the following conditions are met:

(a) Full-time students are available for employment at subminimum rates; the granting of a certificate is necessary in order to prevent curtailment of opportunities for employment.

(b) The employment of more than six full-time students by an employer will not create a substantial probability of reducing the full-time employment opportunities for persons other than those employed under such certificates.

## 29 CFR Ch. V (7-1-04 Edition)

(c) Abnormal labor conditions such as a strike or lockout do not exist at the farm or establishment for which a full-time student certificate is requested.

(d) The data given on the application are accurate and based on available records.

(e) The farms or establishments on whose experience the applicant relies meet the requirements of paragraph (h) of §519.6.

(f) There are no serious outstanding violations of the provisions of a full-time student certificate previously issued to the employer, nor have there been any serious violations of the Fair Labor Standards Act (including Child-Labor Regulation No. 3 and the Hazardous Occupations Orders published in part 570 of this chapter) which provide reasonable grounds to conclude that the terms of a certificate may not be compiled with, if issued.

(g) The subminimum wage rate(s) proposed to be paid full-time students under temporary authorization or under certificate is not less than 85 percent of the minimum wage applicable under section 6 of the Act.

(h) Certificates will not be issued where such issuance will result in a reduction of the wage rate paid to a current employee, including current student employees.
