§ 551.1 Statutory provision.

The following provision for exemption from the overtime pay provision is contained in section 13(b) of the Fair Labor Standards Act of 1938, as amended (29 U.S.C. 213(b)):

(b) The provisions of section 7 shall not apply with respect to:

* * * * *

(1) any employee employed as a driver or driver's helper making local deliveries, who is compensated for such employment on the basis of trip rates, or other delivery payment plan, if the Secretary shall find that such plan has the general purpose and effect of reducing hours worked by such employees to, or below, the maximum workweek applicable to them under section 7(a).

Under this provision, an employee employed and compensated as described in the quoted paragraph (11) may be employed without payment of overtime compensation for a workweek longer than the maximum workweek applicable to him under section 7(a) of the Act, but only if it is established by a finding of the Secretary that the employee is compensated for his employment as a driver or driver's helper making local deliveries on the basis of trip rates or other delivery payment plan that has the general purpose and effect stated in section 13(b)(11). Such a finding is prescribed by the statute as

one of the “explicit prerequisites to exemption”. (See *Arnold v. Kanowsky*, 361 U.S. 388, 392.)

§ 551.2 Findings authorized by this part.

(a) The Administrator, pursuant to the authority vested in him by the Secretary of Labor, will make and apply findings under section 13(b)(11) of the Act as provided in this part. Such findings shall be made only upon petitions meeting the requirements of this part, and only as authorized in this section.

(b) For the purpose of establishing whether a wage payment plan has the purpose and effect required by section 13(b)(11) for an exemption from the overtime provisions of the Act, the Administrator shall have authority, upon a proper showing and in accordance with the provisions of this part, to make a finding as to the general purpose and effect of any specific plan of compensation on the basis of trip rates or other delivery payment plan, with respect to the reduction of the length of the workweeks worked by the employees of any specific employer who are compensated in accordance with such plan for their employment by such employer as drivers or drivers' helpers making local deliveries.

(c) Any finding made as to the purpose and effect of such a wage payment plan pursuant to a petition therefor will be based upon a consideration of all relevant facts shown or represented to exist with respect to such plan that are made available to the Administrator. A finding that such plan has the general effect of reducing the hours worked by drivers or drivers' helpers compensated thereunder to, or below, the maximum workweek applicable to them under section 7(a) of the Act is not authorized under this part unless the Administrator finds that during the most recently completed representative period of one year (based on the experience of the employer in question, or if such employer has not previously used such plan, on the experience of another employer using such plan under substantially the same conditions, all as defined in § 551.8(g)(1)), the average weekly hours, taken in the aggregate, of all full-time employees covered by the plan are not in excess of the max-

imum workweek applicable to such employees under section 7(a), or unless the Administrator makes an interim finding with respect to such plan that, notwithstanding a lack of experience under it for a representative period of 1 year, its provisions and manner of operation, together with the other available information concerning the plan, indicate clearly that by the end of such first representative year the effect of the plan will have been to reduce the average weekly hours worked by the employees covered by the plan in such first year of operation to, or below, such maximum applicable workweek.

§ 551.3 Petition for a finding.

Any employer desiring to establish an exemption from the overtime pay requirements of the Act with respect to employees whose employment and compensation may be considered to qualify therefor under section 13(b)(11) may petition the Administrator, in writing, for a finding under such section and this part. If the wage payment plan with respect to which the finding is sought has been the subject of collective bargaining with representatives of employees covered by the plan, the employer shall provide timely notice of such petition, in writing, to the authorized representatives or representatives of such employees and shall submit a copy of such notice to the Administrator.

§ 551.4 Requirements for petition.

A petition for a finding under section 13(b)(11) of the Act and this part shall include in such detail as the Administrator may deem necessary for evaluation under the standards provided by the statute and this part, all the information required by § 551.5. Such information may be presented in any form convenient to the petitioner; no particular form is prescribed for the petition. The petition shall also include, by attachment, a copy of any collective bargaining agreement or other document governing the method of payment for the work of employees covered by the wage payment plan with respect to which a finding is requested. The petition, together with any such documents, shall be filed with the Administrator, Wage and Hour Division, United
