§ 105.280 Security incident procedures.

For each MARSEC Level, the facility owner or operator must ensure the Facility Security Officer and facility security personnel are able to:

- (a) Respond to security threats or breaches of security and maintain critical facility and vessel-to-facility interface operations;
- (b) Evacuate the facility in case of security threats or breaches of security;
- (c) Report security incidents as required in § 101.305 of this subchapter;
- (d) Brief all facility personnel on possible threats and the need for vigilance, soliciting their assistance in reporting suspicious persons, objects, or activities; and
- (e) Secure non-critical operations in order to focus response on critical operations.

§ 105.285 Additional requirements-passenger and ferry facilities.

(a) At all MARSEC Levels, the owner or operator of a passenger or ferry facility must ensure, in coordination with a vessel moored at the facility, that the following security measures are implemented in addition to the requirements of this part:

- (1) Establish separate areas to segregate unchecked persons and personal effects from checked persons and personal effects;
- (2) Ensure that a defined percentage of vehicles to be loaded aboard are screened prior to loading, in accordance with a MARSEC Directive or other orders issued by the Coast Guard;

(3) Ensure that all unaccompanied vehicles to be loaded on passenger vessels are screened prior to loading;

(4) Deny passenger access to restricted areas unless supervised by facility security personnel; and

(5) In a facility with a public access area designated under § 105.106, provide sufficient security personnel to monitor all persons within the area.

(b) At MARSEC Level 2, in addition to the requirements in paragraph (a) of this section, the owner or operator of a passenger or ferry facility with a public access area designated under § 105.106 must increase the intensity of monitoring of the public access area.

(c) At MARSEC Level 3, in addition to the requirements in paragraph (a) of this section, the owner or operator of a passenger or ferry facility with a public access area designated under § 105.106 must increase the intensity of monitoring and assign additional security personnel to monitor the public access area.

§ 105.290 Additional requirements-cruise ship terminals.

At all MARSEC Levels, in coordination with a vessel moored at the facility, the facility owner or operator must ensure the following security measures:

(a) Screen all persons, baggage, and personal effects for dangerous substances and devices;

(b) Check the identification of all persons seeking to board the vessel. This includes confirming the reason for boarding by examining joining instructions, passenger tickets, boarding passes, government identification or visitor badges, or work orders;

(c) Designate holding, waiting, or embarkation areas to segregate screened persons and their personal effects awaiting embarkation from unscreened persons and their personal effects;

(d) Provide additional security personnel to designated holding, waiting, or embarkation areas; and

(e) Deny passenger access to restricted areas unless supervised by facility security personnel.
