

information required to obtain a Department of Army permit for placement of structures and the discharge of dredged or fill material.

(bb) *Additional Federal authorizations.* All other applications for Federal authorizations not listed elsewhere in this subpart that are required for ownership, construction, and operation of a deepwater port.

(cc) *A statement that the information in the application is true.* This statement must be placed at the end of the application, sworn to before a notary public, and signed by a responsible official of the applicant.

§ 148.107 What additional information may be required?

(a) The Commandant (G-M), in coordination with MARAD, may require the applicant or the applicant's affiliates to file, as a supplement to the application, any analysis, explanation, or detailing of information in the application or any other information the Commandant (G-M) deems necessary.

(b) The Commandant (G-M) may require the applicant or the applicant's affiliates to make available for Coast Guard examination, under oath or for interview, persons having, or believed to have, necessary information.

(c) The Commandant (G-M) may set a deadline for receiving the information. If the applicant states that the required information is not yet available but will be at a later date, the Commandant (G-M) may specify a later deadline. If a requirement is not met by a deadline fixed under this paragraph, the Commandant (G-M), in coordination with MARAD, may determine whether compliance with the requirement is important to processing the application within the time prescribed by the Act. If the requirement is important to processing the application within the time limit set by the Act, the Commandant (G-M) may recommend to the Administrator of the Maritime Administration that the Administrator either not approve the application or suspend it indefinitely. The deadline for the Administrator's review under the Act is extended for a period of time equal to the time of the suspension.

§ 148.108 What if a Federal or State agency or other interested party requests additional information?

(a) Any Federal or State agency or other interested person may recommend that the applicant provide information in addition to that required to be in the application.

(b) Recommendations must include a brief statement of why the information is needed.

(c) The Commandant (G-M) must receive the request within 30 days after publication of the notice of application in the FEDERAL REGISTER. The request is considered before any final determination is made.

(d) Commandant (G-M) will consider whether:

(1) The information requested is essential for processing the license application; and

(2) The time and effort required by the applicant in gathering the information will result in an undue delay in the application process.

(e) Commandant (G-M) may consult with the applicant prior to issuing a determination on the request for additional information.

§ 148.110 How do I prepare my application?

(a) Any person may confer with the Commandant (G-M) concerning requirements contained in this rule for the preparation of an application or the requirements of this subchapter.

(b) The applicant may incorporate, by clear and specific reference in the application, the following:

(1) Standard reference material that the applicant relied on and that is readily available to Federal and State agencies;

(2) Current information contained in previous applications or reports that the applicant has submitted to the application staff; or

(3) Current information contained in a tariff, report, or other document previously filed for public record with the Surface Transportation Board or the Securities and Exchange Commission, if:

(i) A certified true and complete copy of the document is attached to each copy of the application required by § 148.115(a);
