

§ 150.810

§ 150.810 Reporting a problem with an aid to navigation.

(a) Any problem affecting the operation or characteristics of an aid to navigation at the deepwater port must be reported, by the fastest means available, to the District Commander. The report must identify:

- (1) The aid to navigation affected;
- (2) The location of that aid;
- (3) The nature of the problem; and
- (4) The estimated time of repair.

(b) When the problem is corrected, the District Commander must be notified.

§ 150.815 How must casualties be reported?

(a) Immediately after aiding the injured and stabilizing the situation, the owner, operator, or person in charge of a deepwater port must notify the nearest Marine Safety Office, Coast Guard Activity, or Coast Guard Group Office of each event on, or involving, the deepwater port that results in one or more of the following:

- (1) Loss of life;
- (2) An injury that requires professional medical treatment (treatment beyond first aid) and, if the person is engaged or employed on the deepwater port, that renders the individual unfit to perform his or her routine duties;
- (3) Impairment to the operation of any of the port's primary lifesaving or fire-fighting equipment; or
- (4) Property damage in excess of \$100,000, including damage resulting from a vessel or aircraft striking the port. This amount includes the cost of labor and material to restore all affected items, including, but not limited to, the port and the vessel or aircraft to their condition before the damage. This amount does not include the cost of salvage, cleaning, gas freeing, dry-docking, or demurrage of the port, vessel, or aircraft.

(b) The notice under paragraph (a) of this section must identify the following:

- (1) The deepwater port involved;
- (2) The owner, operator, or person in charge of the port;
- (3) The nature and circumstances of the event; and

33 CFR Ch. I (7-1-04 Edition)

(4) The nature and extent of the injury and damage resulting from the event.

§ 150.820 When must a written report of casualty be submitted and what must it contain?

(a) In addition to the notice of casualty under § 150.815, the owner, operator, or person in charge of a deepwater port must submit a written report of the event to the nearest OCMI within 5 days after the notice of casualty. The report may be on Form 2692 (Report of Marine Accident, Injury, or Death) or in narrative form if it contains all of the applicable information requested in Form 2692. Copies of Form 2692 are available from the OCMI.

(b) The written report must also include the information relating to alcohol and drug involvement specified by 46 CFR 4.05-12.

(c) If filed immediately after the event, the written report required by paragraph (a) of this section serves as the notice required under § 150.815.

§ 150.825 Reporting a diving-related casualty.

Diving-related deaths and injuries within the safety zone of a deepwater port must be reported according to 46 CFR 197.484 and 197.486, rather than to §§ 150.815 and 150.820.

§ 150.830 Reporting a pollution incident.

Oil pollution incidents involving a deepwater port are reported according to § 135.305 and 135.307 of this chapter.

§ 150.835 Reporting sabotage or a subversive activity.

The owner, operator, or person in charge of a deepwater port must immediately report to the COTP, by the fastest possible means, any evidence of sabotage or subversive activity against any vessel at the deepwater port or against the deepwater port itself.

RECORDS

§ 150.840 What records must be kept?

(a) The licensee must keep copies of the deepwater port of the reports, records, test results, and operating data required by this part. In the case
