

(ii) All vessels shall contact and receive permission from the control vessel for that work area before entering the active work area.

(iii) All vessels transiting an active work area shall do so at no wake speed or the minimum speed necessary to maintain steerage.

(iv) During blasting operations all vessels are prohibited from entering an area of 500 yards surrounding the blast site. Upon notification of a misfire or hangfire, all vessels underway in the RNA shall proceed to clear the active work area in which the misfire or hangfire occurred.

(4) Vessels over 300 gross tons and tugs with tows are required to contact the COTP 12 hours before vessel movement within the RNA.

(5) Vessels meeting the notice of arrival requirements under 33 CFR 160.207 are encouraged to notify the COTP at least 48-hours before the vessel enters the RNA to facilitate scheduling and minimize delays. Updates are encouraged at least 12 hours before arriving at the RNA boundaries. The COTP may delay entry into the RNA to accommodate other commercial traffic.

(6) Vessels of 300 gross tons or greater shall be prohibited from entering the RNA when they are advised that a misfire or hangfire has occurred.

(7) For any vessel with another vessel/barge in tow transiting an active work area, the hawser or wire length of the tow shall not exceed 275 feet, measured from the towing bit on the tug to the point where the hawser or wire connects with the towed vessel or barge.

(8) Vessels of 300 gross tons or greater and tugs with tows, shall, prior to entering the RNA, ensure that they have sufficient propulsion and directional control to safely navigate the RNA under the prevailing conditions.

(9) Vessels of 300 gross tons or greater and tugs with tows are prohibited from meeting or overtaking vessels of 300 gross tons or greater or tugs with tows in active work areas or within one nautical mile of an active work area.

(10) The Captain of the Port, Wilmington may, upon written request, authorize a deviation from any regulation in this section if it is found that the proposed operations can be done

safely. An application for deviation must be received not less than 48 hours before intended operation and must state the need and describe the proposal.

SEVENTH COAST GUARD DISTRICT

§ 165.T07-013 Security Zone: Internal waters and territorial seas adjacent to the Florida peninsula.

(a) *Location.* The following area is established as a security zone: All U.S. internal waters and territorial seas adjacent to the State of Florida south of the Florida-Georgia border and extending seaward three nautical miles from the baseline from which the territorial sea is measured around the Florida peninsula to the extent where the Florida panhandle and adjacent internal waters and territorial sea intersect with longitude 83°50' West. In general these are the U.S. internal waters and territorial seas adjacent to the Florida peninsula.

(b) *Applicability.* This section applies to non-public vessels less than 50 meters (165 feet) in length and all associated auxiliary vessels within the security zone, but shall not apply to foreign flagged vessels in innocent passage in the territorial sea of the United States. For the purpose of this section, an "auxiliary vessel" includes every description of watercraft or other artificial contrivance used or capable of being used as a means of transportation on water attached to, or embarked in, another vessel to which this section applies.

(c) *Regulations.* (1) The general regulations in § 165.33 of this part do not apply to this security zone.

(2)(i) Non-public vessels less than 50 meters (165 feet) in length and persons on board those vessels may not get underway from a berth, pier, mooring or anchorage in the security zone, or depart the security zone, with the intent to enter Cuban territorial waters without express written authorization from one of the following officials or their designees: Commander, Seventh Coast Guard District; the Captain of the Port Miami; the Captain of Port Tampa; or the Captain of the Port of Jacksonville. Upon receiving a request for written authorization, the aforementioned officials shall have ten (10) calendar days from the receipt of the application, to decide whether an application
