

(ii) Includes an endowment or quasi-endowment fund operated by a foundation if the foundation is tax-exempt and was established for the purpose of raising money for the institution.

(b) The Secretary considers the degree of proposed nongovernmental matching funds. (Total: 15 points maximum for the highest proposed percentage)

(1) The Secretary measures the degree to which an applicant proposes to match the grant with funds from sources other than a State or local government—giving up to 15 points to applicants proposing to obtain the largest percentage of matching funds from those nongovernmental sources.

(2) If an applicant is applying for an endowment challenge grant for the first time, the Secretary multiplies the maximum number of points (i.e., 15 points) on this criterion times the following fraction:

$$\frac{\text{Amount of matching funds proposed from nongovernmental sources}}{\text{Total proposed amount of matching funds}}$$

(3) If an applicant has previously received an endowment challenge grant, the Secretary uses the following formula in awarding points under this criterion:

$$\frac{\text{Amount of matching funds proposed from nongovernmental sources}}{\text{Total proposed amount of matching funds}} \times \frac{\text{Amount of matching funds from nongovernmental sources actually raised under previous endowment challenge grant}}{\text{Amount of matching funds proposed to be raised from nongovernmental sources under the previous endowment challenge grant}} \times 15 \text{ points} = \text{Points on this criterion}$$

(c) The Secretary considers the need for an endowment challenge grant as measured by the applicant's lack of resources.

(1) The Secretary gives up to 50 points to applicants with the least resources as measured, at the end of the applicant's fiscal year preceding the year it applies for an endowment challenge grant, by revenue per full-time equivalent student it receives from the sum of the following—

- (i) Federal, State and local government appropriations;
- (ii) Unrestricted Federal, State and local government grants and contracts;
- (iii) Eighty percent of tuition and fees; and
- (iv) Unrestricted and restricted "endowment income".

(2) In measuring the applicant's resources, the Secretary—

- (i) Defines the factors in paragraphs (c)(1)(i) through (iv) as they are defined in the Education Department Higher

Education General Information Survey of Financial Statistics.

(ii) Excludes real estate from being considered as part of the applicant's existing endowment or quasi-endowment fund.

(b) *Need for an endowment challenge grant as measured by the lack of endowment funds.* (Total: 20 points)

(1) The Secretary gives up to 20 total points to an applicant with the greatest need for an endowment challenge grant under this part, as measured by the applicant's lack of endowment funds.

(2) The Secretary gives up to 20 points to the applicant with the lowest market value, at the end of the applicant's fiscal year preceding the year it applies for an endowment challenge grant, of its existing endowment and quasi-endowment fund in relation to the number of full-time equivalent students enrolled at the institution in the fall of the year preceding the year it applies for an endowment challenge grant.

(3) In measuring the applicant's need for an endowment challenge grant, the Secretary excludes real estate from being considered as part of the applicant's existing endowment or quasi-endowment fund.
