§ 76.103 Multi-year State plans.

(a) Beginning with fiscal year 1996, each State plan will be effective for a period of more than one fiscal year, to be determined by the Secretary or by regulations.

(b) If the Secretary determines that the multi-year State plans under a program should be submitted by the States on a staggered schedule, the Secretary may require groups of States to submit or resubmit their plans in different years.

(c) This section does not apply to:

(1) The annual accountability report under part A of title I of the Vocational Education Act;

(2) The annual programs under the Library Services and Construction Act;

(3) The application under sections 141-143 of the Elementary and Secondary Education Act; and

(4) The State application under section 209 of title II of the Education for Economic Security Act.

(d) A State may submit an annual State plan under the Vocational Education Act. If a State submits an annual plan under that program, this section does not apply to that plan.

NOTE: This section is based on a provision in the General Education Provisions Act (GEPA). Section 427 of the Department of Education Organization Act (DEOA), 20 U.S.C. 3487, provides that except to the extent inconsistent with the DEOA, the GEPA "shall apply to functions transferred by this Act to the extent applicable on the day preceding the effective date of this Act." Although standardized nomenclature is used in this section to reflect the creation of the Department of Education, there is no intent to extend the coverage of the GEPA beyond

that authorized under section 427 or other applicable law.
