§ 85.110 What is the purpose of the nonprocurement debarment and suspension system?

(a) To protect the public interest, the Federal Government ensures the integrity of Federal programs by conducting business only with responsible persons.

(b) A Federal agency uses the nonprocurement debarment and suspension system to exclude from Federal programs persons who are not presently responsible.

(c) An exclusion is a serious action that a Federal agency may take only to protect the public interest. A Federal agency may not exclude a person or commodity for the purposes of punishment.

§ 85.115 How does an exclusion restrict a person's involvement in covered transactions?

With the exceptions stated in §§ 85.120, 85.315, and 85.420, a person who is excluded by the Department of Education or any other Federal agency may not:

(a) Be a participant in a(n) ED transaction that is a covered transaction under subpart B of this part;

(a) The ED Deciding Official may grant an exception permitting an excluded person to participate in a particular covered transaction. If the ED Deciding Official grants an exception, the exception must be in writing and state the reason(s) for deviating from the governmentwide policy in Executive Order 12549.
