APPENDIX A TO PART 800—CRITERIA FOR COUNCIL INVOLVEMENT IN REVIEWING INDIVIDUAL SECTION 106 CASES

(a) *Introduction.* This appendix sets forth the criteria that will be used by the Council to determine whether to enter an individual section 106 review that it normally would not be involved in.

(b) *General policy.* The Council may choose to exercise its authorities under the section 106 regulations to participate in an individual project pursuant to the following criteria. However, the Council will not always elect to participate even though one or more of the criteria may be met.

(c) *Specific criteria.* The Council is likely to enter the section 106 process at the steps specified in the regulations in this part when an undertaking:

(1) *Has substantial impacts on important historic properties.* This may include adverse effects on properties that possess a national level of significance or on properties that are of unusual or noteworthy importance or are a rare property type; or adverse effects to large numbers of historic properties, such as impacts to multiple properties within a historic district.

(2) *Presents important questions of policy or interpretation.* This may include questions about how the Council's regulations are being applied or interpreted, including possible foreclosure or anticipatory demolition situations; situations where the outcome will set a precedent affecting Council policies or program goals; or the development of programmatic agreements that alter the way the section 106 process is applied to a group or type of undertakings.

(3) *Has the potential for presenting procedural problems.* This may include cases with substantial public controversy that is related to historic preservation issues; with disputes among or about consulting parties which the Council's involvement could help resolve; that are involved or likely to be involved in litigation on the basis of section 106; or carried out by a Federal agency, in a State or locality, or on tribal lands where the Council has previously identified problems with section 106 compliance pursuant to § 800.9(d)(2).

§ 801.1 Purpose and authorities.

(a) These regulations are required by section 110(c) of the Housing and Community Development Act of 1980 (HCDA) (42 U.S.C. 5320) and apply only to projects proposed to be funded by the Department of Housing and Urban Development (HUD) under the Urban Development Action Grant (UDAG) Program authorized by title I of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5301). These regulations establish an expedited process for obtaining the comments of the Council specifically for the UDAG program and, except as specifically provided, substitute for the Council's regulations for the "Protec-

tion of Historic and Cultural Properties" (36 CFR part 800).

(b) Section 110(c) of the HCDA of 1980 requires UDAG applicants to: (1) Identify all properties, if any, which are included in the National Register of Historic Places and which will be affected by the project for which the application is made; (2) identify all other properties, if any, which will be affected by such project and which, as determined by the applicant, may meet the Criteria established by the Secretary of the Interior for inclusion in the National Register (36 CFR 60.6); and (3) provide a description of the effect, as determined by the applicant, of the project on properties identified pursuant to (1) and (2). (c) Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470), requires the head of any Federal agency with jurisdiction over a Federal, federally assisted or federally licensed undertaking that affects a property included in or eligible for inclusion in the National Register of Historic Places to take into account the effect of the undertaking on such property and afford the Council a reasonable opportunity to comment. Under the UDAG program, applicants assume the status of a Federal agency for purposes of complying with section 106.
