§ 21.74 Extended evaluation.

(a) *General.* An extended evaluation may be authorized for the period necessary to determine whether the attainment of a vocational goal is currently reasonably feasible for the veteran. The services which may be provided during the period of extended evaluation are listed in § 21.57(b) of this part.

(Authority: 38 U.S.C. 3105(a), 3106(a))

(b) *Duration.* An extended evaluation may not be for less than two weeks (full or part-time equivalent) nor for more than twelve months, unless a longer period is necessary to determine whether achievement of a vocational goal is reasonably feasible.

(Authority: 38 U.S.C. 3105(a))

(c) *Approval of the period of an extended evaluation.* (1) The counseling psychologist may approve an initial period of up to 12 months for an extended evaluation.

(2) An additional period of extended evaluation of up to 6 months may be approved by the counseling psychologist, if there is reasonable certainty that the feasibility of achieving a vocational goal can be determined during the additional period. The counseling psychologist will obtain the concurrence of the Vocational Rehabilitation and Employment (VR&C) Officer before approving the extension of a period of extended evaluation.

(3) An extension beyond a total period of 18 months for additional periods of up to 6 months each may only be approved by the counseling psychologist if there is a substantial certainty that a determination of current feasibility may be made within this extended pe-

riod. The concurrence of the VR&C Officer is also required for this extension.
