Service as a guerrilla under the circumstances outlined in paragraph (d) of this section is also included. Except as provided in §§ 3.42 and 3.43, benefits based on service described in this paragraph are payable at a rate of \$0.50 for each dollar authorized under the law.

(Authority: 38 U.S.C. 107)

(d) *Guerrilla service.* (1) Persons who served as guerrillas under a commissioned officer of the United States Army, Navy or Marine Corps, or under a commissioned officer of the Commonwealth Army recognized by and cooperating with the United States Forces are included. (See paragraph (c) of this section.) Service as a guerrilla by a member of the Philippine Scouts or the Armed Forces of the United States is considered as service in his or her regular status. (See paragraph (a) of this section.)

(2) The following certifications by the service departments will be accepted as establishing guerrilla service:

- (i) Recognized guerrilla service;
- (ii) Unrecognized guerrilla service under a recognized commissioned officer only if the person was a former member of the United States Armed Forces (including the Philippine Scouts), or the Commonwealth Army. This excludes civilians.

A certification of *Anti-Japanese Activity* will not be accepted as establishing guerrilla service.

(e) *Combined service.* Where a veteran who had Commonwealth Army or guerrilla service and also had other service, wartime or peacetime, in the Armed Forces of the United States, has disabilities which are compensable separately on a dollar and a \$0.50 for each dollar authorized basis, and the disabilities are combined under the authority contained in 38 U.S.C. 1157, the evaluation for which dollars are payable will be first considered and the difference between this evaluation and the combined evaluation will be the basis for computing the amount payable at the rate of \$0.50 for each dollar authorized.

- (5) Capitulation on May 6, 1942, except that periods of recognized guerrilla service or unrecognized guerrilla service under a recognized commissioned officer or periods of service in

units which continued organized resistance against Japanese prior to formal capitulation will be considered return to active duty for period of such service.

(b) Active service of a Regular Philippine Scout or a member of the Philippine Commonwealth Army serving with the Armed Forces of the United States will include a *prisoner-of-war* status immediately following a period of active duty, or a period of recognized guerrilla service or unrecognized guerrilla service under a recognized commissioned officer. In those cases where following release from active duty as set forth in paragraph (a) of this section, the veteran is factually found by the Department of Veterans Affairs to have been injured or killed by the Japanese because of anti-Japanese activities or his or her former service in the Armed Forces of the United States, such injury or death may be held to have been incurred in active service for Department of Veterans Affairs purposes. Determination shall be based on all available evidence, including service department reports, and consideration shall be given to the character and length of the veteran's former active service in the Armed Forces of the United States.

(c) A prisoner-of-war status based upon arrest during general zonification will not be sufficient of itself to bring a case within the definition of return to military control.

(d) The active service of members of the irregular forces *guerrilla* will be the period certified by the service department.
