

(iv) Must ensure that identified quality deficiencies are corrected within an established time period.

(3) The VA Under Secretary for Health may not require disclosure of the records of such committee unless such disclosure is related to the compliance with the requirements of this section.

(o) *Disaster and emergency preparedness.* (1) The program management must have detailed written plans and procedures to meet all potential emergencies and disasters, such as fire, severe weather, bomb threats, and missing participants.

(2) The program management must train all employees in emergency procedures when they begin to work in the program, periodically review the procedures with existing staff, and carry out unannounced staff drills using those procedures.

(p) *Transfer procedure.* (1) The program management must have in effect a written transfer procedure that reasonably assures that—

(i) Participants will be transferred from the adult day health care program to the hospital, and ensured of timely admission to the hospital when transfer is medically appropriate as determined by a physician; and

(ii) Medical and other information needed for care and treatment of participants will be exchanged between the institutions.

(2) The transfer must be with a hospital sufficiently close to the adult day health care program to make transfer feasible.

(q) *Compliance with Federal, State, and local laws and professional standards.* The program management must operate and provide services in compliance with all applicable Federal, State, and local laws, regulations, and codes, and with accepted professional standards and principles that apply to professionals providing services in such a facility. This includes the Single Audit Act of 1984 (31 U.S.C. 7501 et seq.) and the Cash Management Improvement Acts of 1990 and 1992 (31 U.S.C. 3335, 3718, 3720A, 6501, 6503).

(r) *Relationship to other Federal regulations.* In addition to compliance with the regulations set forth in this subpart, the program must meet the appli-

cable provisions of other Federal laws and regulations, including but not limited to, those pertaining to non-discrimination on the basis of race, color, national origin, handicap, or age (38 CFR part 18); protection of human subjects of research (45 CFR part 46), section 504 of the Rehabilitation Act of 1993 (29 U.S.C. 794); Drug-Free Workplace Act of 1988 (41 U.S.C. 701-707); restrictions regarding lobbying (31 U.S.C. 1352); Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-1). Although these regulations are not in themselves considered requirements under this part, their violation may result in the termination or suspension of, or the refusal to grant or continue payment with Federal funds.

(s) *Intermingling.* A facility recognized as a State home for providing adult day health care may only provide adult day health care in the areas of the facility recognized as a State home for providing adult day health care.

(t) *VA management of State veterans homes.* Except as specifically provided by statute or regulations, VA employees have no authority regarding the management or control of State homes providing adult day health care.

§ 52.220 Transportation.

Transportation of participants to and from the adult day health care facility must be a component of the overall program.

(a)(1) Except as provided in paragraph (a)(2) of this section, the adult day health care program management must provide or contract for transportation to enable participants, including persons with disabilities, to attend the program and to participate in facility-sponsored outings.

(2) The veteran or the family of a veteran may decline transportation offered by the adult day health care program management and make their own arrangements for the transportation.

(b) The adult day health care program management must have a transportation policy that includes routine and emergency procedures, with a copy

Pt. 58

of the relevant procedures located in all program vehicles.

(c) All vehicles transporting participants to and from adult day health care must be equipped with a device for two-way communication.

(d) All facility-provided and contracted transportation systems must meet local, State and federal regulations.

(e) The time to transport participant to or from the facility must not be more than 60 minutes except under unusual conditions, e.g., bad weather.
