§ 7.6 Benefits.

Any policy found to be entitled to protection under the provisions of the Act will not lapse or otherwise terminate or be forfeited for the nonpayment of a premium or the nonpayment of any indebtedness or interest during the period of military service of the insured and two years after the expiration of such service. If the insured reenters military service during the two-year period following separation from such service and the policy is under the protection of the Act on the date of reentry, such reentrance shall be deemed to be a continuation of the previous military service. In such case, in the absence of written instruction from the insured to the contrary, the protection under the Act will continue during the period of military service of the insured and two years after the expiration of such service, but the guarantee will not extend for more than two years after the date when the Act ceases to be in force.

(a) For the period during which a policy is protected by the provisions of the Act, any dividends, return of premiums, or other such monetary benefits arising out of the contract or by reason thereof, will be held subject to disposal or to be applied as may be approved by the Department of Veterans Affairs.

(b) A policy will not be removed from the protection of the Act by reason of a payment made to the insurer by or on behalf of the insured, but any tender of a premium (in whole or in part) shall be applied on the indebtedness established under authority of the Act against the policy: *Provided*, That nothing herein shall prevent an insured from continuing payment to the insurer of premiums to cover any additional benefits (such as double indemnity, waiver of premium, etc.) where such premiums may not be included in

the amount guaranteed by the Government.

§ 7.7 Maturity.

(a) The phrase *maturity of a policy as a death claim or otherwise* (SSCRA, as amended) will not include a termination or maturity of a policy as a disability claim, and the policy will continue under the provisions of the Act as if there had been no maturity, but the Government shall not be liable for any premiums that the insured would have been relieved of paying under any provisions for payment of premiums in the policy.

(b) Upon the expiration of the period of protection, the insurer will submit to the Department of Veterans Affairs a complete statement of the account on each policy, which will show the amount of indebtedness by reason of the premiums with interest and the credits, if any, then available and will be subject to audit and approval by the Department of Veterans Affairs. The statement of account will include the rate of interest charged on all indebtedness, the date of debit and credit entries, and such other information as may be deemed necessary in making an audit of the account.

§ 7.8 Beneficiary or assignee.

The consent of a beneficiary, assignee, or any other person who may have a right or interest in the proceeds of the policy is not a prerequisite for placing a policy under the protection of the Act.

APPLICATIONS

§ 8.0 Definitions of terms used in connection with title 38 CFR, part 8, National Service Life Insurance.

(a) *What does the term "good health" mean?* The term *good health* means that the applicant is, from clinical or other evidence, free from any condition that would tend to:

- (1) Weaken normal physical or mental functions; or
- (2) Shorten life.

NOTE TO PARAGRAPH (a): Conditions that would affect "good health" are diseases or injuries or residuals of diseases or injuries. A "residual" is a disability that remains following the original disease or injury.

(b) *What does the term "good health criteria" mean?* The term *good health criteria* means the underwriting standards that determine whether a person is in good health. "Good health criteria" are

based whenever possible, as far as practicable, on general insurance usage. “Underwriting” is the process that sets the terms, conditions, and prices for an insurance policy, by rating an applicant’s mortality risk.

(c) *What does the term “organic loss of speech” mean?* The term *organic loss of speech* means the loss of the ability to express oneself, both by voice and whisper, through the normal organs of speech if the loss is caused by physical changes in such organs. The fact that some speech can be produced through the use of artificial appliance or other organs of the body will not impact this definition.

(d) *What does the term “disease or injury traceable to the extra hazards of the military service” mean?* The term *disease or injury traceable to the extra hazards of the military service* means a disease or injury that was either caused by or can be traced back to the performance of duty in the active military, naval, or air service.

(e) *What does the term “guardian” mean?* The term *guardian* means any representative certified by the appropriate Veterans Service Center Manager, under § 13.55 of this chapter, to receive benefits in a fiduciary capacity on behalf of the insured or the beneficiary, or to take the actions listed in § 8.32.

NOTE 2 TO PARAGRAPH (b): If a postmark date is not available, the date of delivery

will be the date your valid application and premium are received by VA.

(c) *Can you have a different effective date?* Yes, if you would like an effective date other than the date of delivery as described in paragraph (b) of this section, you may choose one of the following three options as an effective date:
