

## Environmental Protection Agency

## § 35.6315

Agreements. EPA will not reimburse excess credit.

(4) *Credit verification.* Credits are subject to verification by audit and technical review of actions performed at sites.

(d) *Over match.* The recipient may not use contributions in excess of the required cost-share at one site to meet the cost-share obligation at another site or the Core Program cost-share obligation. Overmatch is not "credit" pursuant to § 35.6285(c)(3).

(e) *Cost sharing.* The recipient must comply with the requirements regarding cost sharing described in 40 CFR 31.24. Finally, the recipient cannot use costs incurred under the Core Program to offset cost-share requirements at a site.

(f) *Advance match.* (1) A Cooperative Agreement for a site-specific response entered into after October 17, 1986 cannot authorize a State to contribute funds during remedial planning and then apply those contributions to the remedial action cost share (advance match).

(2) A State may seek reimbursement for costs incurred under Cooperative Agreements which authorize advance match.

(3) Reimbursements are subject to the availability of appropriated funds.

(4) If the State does not seek reimbursement, EPA will apply the advance match to off-set the State's required cost share for remedial action at the site. The State may not use advance match for credit at any other site, nor may the State receive reimbursement until the conclusion of CERCLA-funded remedial response activities. Also, the State may not use advance match for credit against cost-share obligations for Core Program Cooperative Agreements.

(5) Claims for advance match are subject to verification by audit.

[55 FR 23007, June 5, 1990, as amended at 55 FR 24343, June 15, 1990]

### § 35.6290 Program income.

The recipient must comply with the requirements regarding program income described in 40 CFR part 31.25.

## PERSONAL PROPERTY REQUIREMENTS UNDER A COOPERATIVE AGREEMENT

### § 35.6300 General personal property acquisition and use requirements.

(a) *General.* (1) Property may be acquired only when authorized in the Cooperative Agreement.

(2) The recipient must acquire the property during the approved project period.

(3) The recipient must:

(i) Charge property costs by site, activity, and operable unit, as applicable;

(ii) Document the use of the property by site, activity, and operable unit, as applicable; and

(iii) Solicit and follow EPA's instructions on the disposal of any property purchased with CERCLA funds as specified in § 35.6340 and § 35.6345 of this subpart.

(b) *Exception.* The recipient is not required to charge property costs by site under a pre-remedial or Core Program Cooperative Agreement.

### § 35.6305 Obtaining supplies.

To obtain supplies, the recipient must agree to comply with the requirements in §§ 35.6300, 35.6315(b), 35.6325 through 35.6340, and 35.6350 of this subpart. Supplies obtained with Core Program funds must be for non-site-specific purposes. All purchases of supplies under the Core Program must comply with the requirements in the above listed sections, except where these requirements are site-specific.

### § 35.6310 Obtaining equipment.

To obtain equipment, the recipient must agree to comply with the requirements in § 35.6300 and §§ 35.6315 through 35.6350 of this subpart.

### § 35.6315 Alternative methods for obtaining property.

(a) *Purchase equipment with recipient funds.* The recipient may purchase equipment with the recipient's own funds and may charge EPA a fee for using equipment on a CERCLA-funded project. The fee must be based on a usage rate, subject to the usage rate requirements in § 35.6320 of this subpart.

(b) *Borrow federally owned property.* The recipient may borrow federally

owned property, with the exception of motor vehicles, for use on CERCLA-funded projects. The loan of the federally owned property may only extend through the project period. At the end of the project period, or when the federally owned property is no longer needed for the project, the recipient must return the property to the Federal Government.

(c) *Lease, use contractor services, or purchase with CERCLA funds.* To acquire equipment through lease, use of contractor services, or purchase with CERCLA funds, the recipient must conduct and document a cost comparison analysis to determine which of these methods of obtaining equipment is the most cost effective. In order to obtain the equipment, the recipient must submit documentation of the cost comparison analysis to EPA for approval. The recipient must obtain the equipment through the most cost effective method, subject to the requirements listed below:

(1) *Lease or rent equipment.* If it is the most cost effective method of acquisition, the recipient may lease or rent equipment, subject only to the requirements in § 35.6300 of this subpart.

(2) *Use contractor services.* (i) If it is the most cost effective method of acquisition, the recipient may hire the services of a contractor.

(ii) The recipient must obtain award official approval before authorizing the contractor to purchase equipment with CERCLA funds. (See § 35.6325 of this subpart regarding the title and vested interest of equipment purchased with CERCLA funds.) This does not apply for recipients who have used the sealed bids method of procurement.

(iii) The recipient must require the contractor to allocate the cost of the contractor services by site, activity, and operable unit, as applicable.

(3) *Purchase equipment with CERCLA funds.* If equipment purchase is the most cost-effective method of obtaining the equipment, the recipient may purchase the equipment with CERCLA funds. To purchase equipment with CERCLA funds, the recipient must comply with the following requirements:

(i) The recipient must include in the Cooperative Agreement application a

list of all items of equipment to be purchased with CERCLA funds, with the price of each item.

(ii) If the equipment is to be used on sites, the recipient must allocate the cost of the equipment by site, activity, and operable unit, as applicable, by applying a usage rate subject to the usage rate requirements in § 35.6320 of this subpart.

(iii) The recipient may not use CERCLA funds to purchase a transportable or mobile treatment system.

(iv) Equipment obtained with Core Program funds must be for non-site-specific purposes. All purchases of equipment must comply with the requirements in § 35.6300, and §§ 35.6310 through 35.6350 of this subpart, except where these requirements are site-specific.

#### § 35.6320 Usage rate.

(a) *Usage rate approval.* To charge EPA a fee for use of equipment purchased with recipient funds or to allocate the cost of equipment by site, activity, and operable unit, as applicable, the recipient must apply a usage rate. The recipient must submit documentation of the usage rate computation to EPA. The EPA-approved usage rate must be included in the Cooperative Agreement before the recipient incurs these equipment costs.

(b) *Usage rate application.* The recipient must record the use of the equipment by site, activity, and operable unit, as applicable, and must apply the usage rate to calculate equipment charges by site, activity, and operable unit, as applicable. For Core Program and pre-remedial activities, the recipient is not required to apply a usage rate.

#### § 35.6325 Title and EPA interest in CERCLA-funded property.

(a) *EPA's interest in CERCLA-funded property.* EPA has an interest (the percentage of EPA's participation in the total award) in both equipment and supplies purchased with CERCLA funds.

(b) *Title in CERCLA-funded property.* Title in both equipment and supplies purchased with CERCLA funds vests in the recipient.
