§ 105-1.000-50 Scope of part.

This part describes the method by which the General Services Administration (GSA) implements and supplements the Federal Property Management Regulations (FPMR) and implements certain regulations prescribed by other agencies. It contains procedures that implement and supplement part 101-1 of the FPMR.

Subpart 105-1.1—Regulations System

§ 105-1.100 Scope of subpart.

This subpart establishes the General Services Administration Property Management Regulations (GSPMR) and provides certain introductory material.

§ 105-1.101 General Services Administration Property Management Regulations.

The General Services Administration Property Management Regulations (GSPMR) include the GSA property management policies and procedures which, together with the Federal Property Management Regulations, certain regulations prescribed by other agencies, and various GSA orders govern the management of property and records and certain related activities of GSA. They may contain policies and

procedures of interest to other agencies and the general public and are prescribed by the Administrator of General Services in this chapter 105.

§ 105-1.101-50 Exclusions.

(a) Certain GSA property management and related policies and procedures which come within the scope of this chapter 105 nevertheless may be excluded therefrom when there is justification. These exclusions may include the following categories:

(1) Subject matter that bears a security classification;

(2) Policies and procedures that are expected to be effective for a period of less than 6 months;

(3) Policies and procedures that are effective on an experimental basis for a reasonable period;

(4) Policies and procedures pertaining to other functions of GSA as well as property management functions and there is need to make the issuance available simultaneously to all GSA employees involved; and

(5) Where speed of issuance is essential, numerous changes are required in chapter 105, and all necessary changes cannot be made promptly.

(b) Property management policies and procedures issued in other than the FPMR system format under paragraphs (a)(4) and (5) of this section, shall be codified into chapter 105 at the earliest practicable date, but in any event not later than 6 months from date of issuance.

§ 105-1.102 Relationship of GSPMR to FPMR.

(a) GSPMR implement and supplement the FPMR and implement certain other regulations. They are part of the General Services Administration Regulations System. Material published in the FPMR (which has Governmentwide applicability) becomes effective throughout GSA upon the effective date of the particular FPMR material. In general, the FPMR that are implemented and supplemented shall not be repeated, paraphrased, or otherwise restated in chapter 105.

(b) Implementing is the process of expanding upon the FPMR or other Government-wide regulations.
