

Subpart 105-50.3—Principles Governing Reimbursements to GSA

§ 105-50.301 Established fees.

Where there is an established schedule of fees for services to other Government agencies or the public, the schedule shall be used as the basis for reimbursement for like services furnished to State and local governments.

§ 105-50.302 Special fee schedules.

Where there is no established schedule of fees for types of service which are ordinarily reimbursed on a fee basis, such schedules may be developed and promulgated in conjunction with the Office of Administration. The fees so established shall cover all direct costs, such as salaries of personnel involved plus personnel benefits, travel, and other related expenses and all indirect costs such as management, supervisory, and staff support expenses determined or estimated from the best available records in GSA. Periodically, fees shall be reviewed for adequacy of recovery and adjusted as necessary.

§ 105-50.303 Cost basis in lieu of fees.

Where the cost of services is to be recovered on other than a fee basis, upon receipt of a request from a State or local government for such services, a written reply shall be prepared by the service or staff office receiving the request stating the basis for reimbursement for the services to be performed. The proposal shall be based on an estimate of all direct costs, such as salaries of personnel involved plus personnel benefits, travel, and other related expenses and on such indirect costs as management, supervisory, and staff support expenses. An appropriate surcharge may be developed to recover these indirect costs. The terms thereof shall be concurred in by the Director of Administration. Acceptance in writing by the requester shall constitute a binding agreement between GSA and the requesting governmental unit.

§ 105-50.304 Services provided through revolving funds.

Where the service furnished is of the type which GSA is now billing through

revolving funds, reimbursement shall be obtained from State and local governments on the same basis; i.e., the same pricing method, billing forms, and billing support shall be used.

§ 105-50.304a Deposits.

Reimbursements to GSA for furnishing special or technical services to State and local units of government will be deposited to the credit of the appropriation from which the cost of providing such services has been paid or is to be charged if such reimbursements are authorized. Otherwise, the reimbursements will be credited to miscellaneous receipts in the U.S. Treasury (42 U.S.C. 4223).

§ 105-50.305 Exemptions.

(a) Single copies of existing reports covering studies and statistical compilations and other data or publications for which there is no established schedule of fees shall be furnished without charge unless significant expense is incurred in reproducing the material, in which instance the actual cost thereof shall be charged.

(b) GSA may, pursuant to section 302 of the Intergovernmental Personnel Act of 1970 (42 U.S.C. 4742), admit employees of State and local units of government to training programs established for professional, administrative, or technical personnel and may waive the requirement for reimbursement in whole or in part.
